Ms. Lhotsky will pull out students needing additional help based on teacher recommendation. We also now have 2 EIP teachers. We have a vacancy for Teacher on Loan and that should be filled in early 2017. 2. Hurricane Update – no major damage to Marshpoint, all events planned during the evacuation are in the process of being rescheduled. An announcement will be made by November 9 as to the status of the make up days. 3. Enrollment Updated – currently at 912 students which is an increase from last school year. 4. Promotion Requirements – See Handout 5. School Accountability Goals – Ms. Phillips will email to Council 6. College and Career Ready Performance Index (CCRPI) – We have seen a decrease in our score since 2013 and this is largely due to changed in the criteria. A new focus on
