

August 21, 2017- Solar Eclipse No School for Students Celebrate the Solar Eclipse with your Family

Join us as Savannah Chatham County Schools Celebrate the Solar Eclipse

Students across the district will engage in various learning activities leading up to the solar eclipse. Families can join in the fun as well as by checking out the various websites and ideas listed below.

No one does an Eclipse like NASA

Check out NASA's official website for all things related to the solar eclipse:

There's an App for that!

At least 15 free apps that focus on the eclipse are available for Android phones, iPhones, or both. They'll help you find your way to spots where you can experience the eclipse from within the dark path of the moon's shadow, learn photography techniques, read about solar eclipses, connect to live-streamed telescope views, and more. SAFETY FIRST

BE CAREFUL
BE AWARE
BE SAFE

While we want everyone to enjoy this once in a lifetime event, our first concern is for the continued safety of our students and their families. To assist all of us, NASA has coordinated with medical and science professionals to provide additional safety information.
