## **Quateria Williams Named Superintendent's Student of the Month for November 2017**

The Savannah-Chatham County Public School System recognized Quateria Williams at this month's board meeting as the Superintendent's Student of the month of November. Our featured student is in seventh grade and attends East Broad St. K-8 School.

Quateria works hard to maintain good grades and shows respect for everyone around her. She often visits classrooms of younger students and works with them on completing assignments and tutoring. Additionally, she works with the Art teacher and the Beautification Committee at East Broad. She's also active in the youth choir at her local church.

When it comes to academic success, Quateria says, "I know I need school because I need a high school and a college diploma. There are some jobs that you want that you have to have these. I need to be able to take care of my family."

We are proud to announce the Superintendent's Student of the Month for November 2017 is Quateria Williams! Congratulations to our student, her family, and the faculty and staff of East Broad St. K-8 School!
