SCCPSS K-5 Summer Reading

Summer Reading for students entering Kindergarten is recommended, but not required. No grades will be given to kindergarten students.

Students entering 1st Grade through 5th Grade this fall should read 3 books that fall within their Lexile range, from 100 points below to 50 points above their Lexile score. The Lexile score is found on the MAP reports, which were sent home to parents.

Students are strongly encouraged to read at least one piece of informational (non-fiction) text over the summer. Georgia standards place a strong emphasis on informational text as students are prepared for success in college and career reading.

Note: If your child’s Lexile score exceeds that of the Grade Level Lexile Band, then he or she should read texts either within his or her Lexile range, or within the appropriate Grade Level Lexile Band as outlined here. A Lexile measure is a good starting point for selecting books, but should never be the only factor.

The Summer Reading Assignment will be counted as three homework grades (one grade per book read) and will be due on August 17, 2018.

Some titles are suggested below, or students may visit www.lexile.com to find their own books in their Lexile range.

For students entering K-2nd Grade
For students entering 3rd Grade
For students entering 4th Grade
For students entering 5th Grade

Assignment: Students share one of the following with their teacher:

- SCCPSS Reading log (You may use your own paper for the response if more space is needed)
- myOn on-line reading report
- Copy of completed Barnes & Noble reading log (3 titles required for SCCPSS credit)
- Copy of completed Live Oaks “Libraries Rock” Early Literacy or Kids and Teens Activity Log
