

IE² Partnership Contract

Come now The Board of Public Education for the City of Savannah and the County of Chatham (Local Board) and the State Board of Education (State Board) and enter into this contract (the Contract) on the 1st day of July 2016.

WHEREAS, pursuant to O.C.G.A. § 20-2-81, the Local Board has developed a five-year strategic plan (Strategic Plan), attached hereto as Exhibit A, for improving the performance of its schools;

WHEREAS, the Local Board has proposed a Contract reflecting its Strategic Plan for each of its schools including components for flexibility, accountability, and consequences, as contemplated by state law;

WHEREAS, the Local Board has provided the Georgia Department of Education (GaDOE) with current performance and demographic data for each of its schools;

WHEREAS, the Local Board has proposed a performance template for each of its elementary, middle and high schools (School Plans);

WHEREAS, the Local Board has held a public hearing on February 3, 2016, as provided by state law; and

WHEREAS, pursuant to O.C.G.A. § 20-2-82, the Local Board has entered into negotiations with the GaDOE in consultation with the Governor's Office of Student Achievement (GOSA) concerning its contract,

NOW, THEREFORE, in consideration of the promises, benefits and duties contained herein, the sufficiency and adequacy of which is hereby acknowledged, the parties agree as follows:

1. Local Board. The Local Board agrees that, in exchange for the flexibility outlined in Exhibit B, it will achieve the accountability goals detailed in Exhibit C. The accountability goals for each school will also be reflected in the attached individual School Plans: Exhibit E for elementary schools; Exhibit F for middle schools and Exhibit G for high schools. The Local Board further agrees that if a school fails to meet its accountability goals as set forth in Exhibit C, the Local Board will implement no later than the date specified herein the consequences outlined in Exhibit D. The Local Board further agrees to cooperate with GOSA as it monitors the performance of the schools under its jurisdiction.
2. Governor's Office of Student Achievement (GOSA). In accordance with state law, GOSA will monitor each of the Local Board's schools with regard to its progress toward meeting its intermediate and five-year academic accountability goal as outlined in Exhibit C. Schools meeting the equivalent of three years' of targeted improvement as outlined in Exhibits C, E, F and G, will be deemed as meeting the accountability requirements of this Contract. If any district school is not in compliance with this goal, then GOSA will

notify the State Board and the GaDOE accordingly. Additionally, GOSA will monitor district performance on the operational accountability goals as outlined in Exhibit C. If the school district is not in compliance with these goals, then GOSA will notify the State Board and the GaDOE accordingly.

Because of the need to establish school baseline data based upon Georgia's new assessment system, GOSA will work with Local Board staff to develop CCRPI targets for each school using the accountability metrics detailed in Exhibit C following receipt by GOSA of school-level CCRPI without Challenge Points from the GaDOE. Local Board will then provide to the GaDOE updated Exhibits E, F and G reflecting the appropriate targets for each school and these Exhibits shall be automatically amended into the contract, replacing the earlier Exhibits.

3. Georgia Department of Education (GaDOE). The GaDOE shall provide support to the Local Board's schools that are not high-performing in accordance with State Board Rule 160-7-1-.04 Accountability System Awards and Consequences.
4. Term of Contract. This Contract will be based upon a term of five (5) years of performance accountability allowing seven years of district flexibility for the purpose of setting school benchmarks initially and then again to allow GOSA to finalize Year Five performance results, since CCRPI data for Year Five will not be available until the following year. The additional year at the end of the contract also ensures the implementation of consequences.
5. Contract Extensions. This Contract may be extended on an annual basis beyond the Initial Term if the Local Board successfully meets the terms of the Contract for at least three or more years as determined by the State Board.

6. Contract Renewal. Prior to the end of the Contract Term, the Contract may be amended and renewed for up to five additional years. Renewal is conditional upon a Local Board's satisfactory compliance with the terms of this Contract as determined by the State Board.
7. Amendments. No amendment, change, or modification to this Contract will be binding upon the parties unless such amendment, change, or modification is made in writing as an amendment to this Contract and duly executed by all parties. In accordance with state law, the terms of this Contract may be amended only due to unforeseen circumstances as determined by the State Board of Education or as otherwise permitted by law.
8. Incorporation of Documents. The Local Board has adopted a Strategic Plan, Exhibit A. The flexibility, accountability and consequences components of this contract are outlined in Exhibits B, C and D. For each school under the direct jurisdiction of the Local Board, except for charter schools, a School Plan has been provided as Exhibits E, F, and G. Exhibits A, B, C, D, E, F, and G are hereby each incorporated by reference into this contract. In the event of any inconsistency or conflict concerning any provisions of the Contract including exhibits, any such inconsistency or conflict shall be resolved as follows:
 - (a) First, by giving preference to the terms of the Contract (without exhibits);
 - (b) Second, by giving preference to Exhibits B, C, and D;
 - (c) Third, by giving preference to Exhibits E, F and G; and
 - (d) Fourth, by giving preference to Exhibit A.

18. Annual Review. Local Board staff will work cooperatively with GOSA in consultation with the GaDOE in monitoring of the accountability portion of this contract. Monitoring will include evaluating each school's progress toward meeting its performance accountability goals. Significant changes in student populations will be considered by GOSA at the end of the contract year and may initiate the review of subsequent performance goals. Further, GOSA may adopt a policy allowing for a second look at school performance to inform its evaluation.
19. Consequences.
