

Swat - A - Letter

Use your Fly letters to play various games -

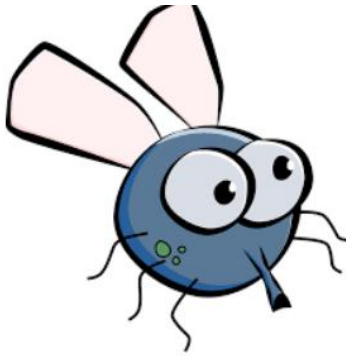

1. Scatter the letters face up. Start with capital letters. Call out letters and swat! Add lower case letters when you are ready.
2. Scatter the capital letters face up. Make a pile of lower case. Draw a card and swat it matching letter. When ready, mix up which letters are up and which are in the pile.
3. Play Concentration with upper and lower case letters. Arrange cards face down. Each player takes turns turning up a card and looking for its match. When you make a match collect the cards and take another turn!
4. Use the letters to "swat" out spelling words.
5. Use the blank flies to write letter pairs or blends (at, it, ai, fl, br, ing, etc.). Swat letters that will make words using these.
6. Make up your own games!
