

## Safe and Secure Environment for Students and Employees

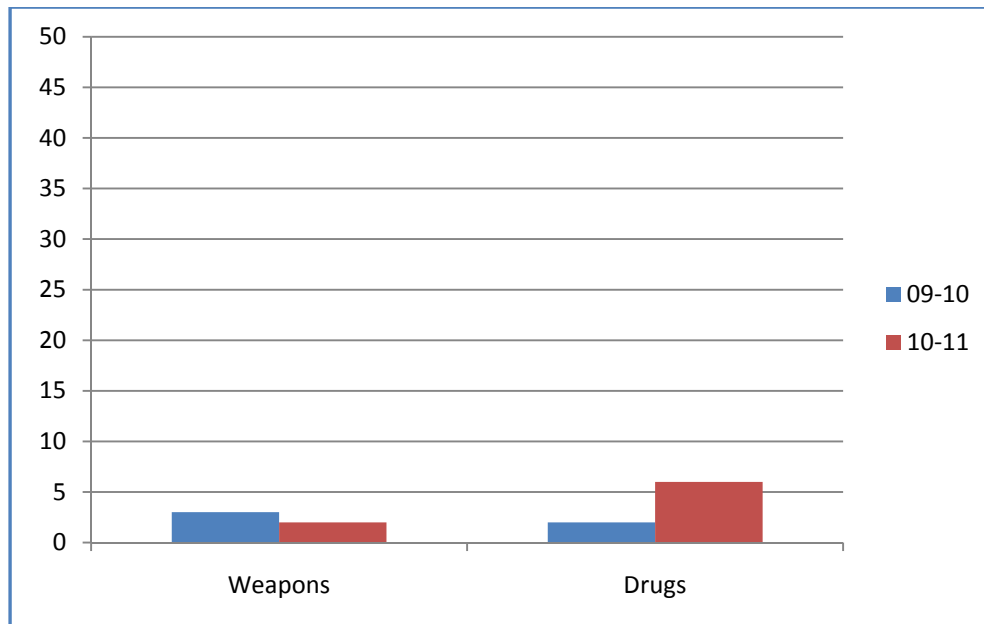

### Objective D: Weapons and Drugs

#### First Quarter Report: 2010-2011 School Year

##### Executive Summary

In accordance with Strategic Objective 3D, the district is to reduce the number of Weapons and Drugs on school campuses as measured by official police reports to 45 or less in each category FY 2012. For FY 2011 through September 30 there have been 6 incidents involving drug violations and 2 incidents involving weapons violations. With an emphasis on Strategic Objective 3D, we are ensuring that a minimum of 3 Random Administrative Inspections are done per school every week. Staff has also emphasized to students and parents/families the consequences of bringing weapons onto school property, especially at the elementary level. There has been a slight increase in drugs found on campus in the first quarter, but this is due to more effective means of finding drugs on our campuses. The Random Administrative Inspections and continued Safe School Searches are becoming more a part of the normal routine of all schools, thus providing a major deterrent for students looking to bring weapons and/or drugs onto school grounds.

##### Weapons and Drugs Comparison\*

\*Data for 07-08 and 08-09 for the first quarter will be included in an amended report once data for those two years is captured for the appropriate time period of 7/1 – 9/30.

Attached is a breakdown of drug and weapons violations by elementary, middle, high and alternative schools for FY11 thru September 30, 2010.

Drug violations are viewed under four areas of the official criminal code of the State of Georgia:

- OCGA 16-13-30 Purchase, possession, manufacture, distribution, or sale of controlled substances or marijuana.
- OCGA 16-13-30 (a) Purchase, possess, or have under control any controlled substance.
