

Safe and Secure Environment for Students and Employees

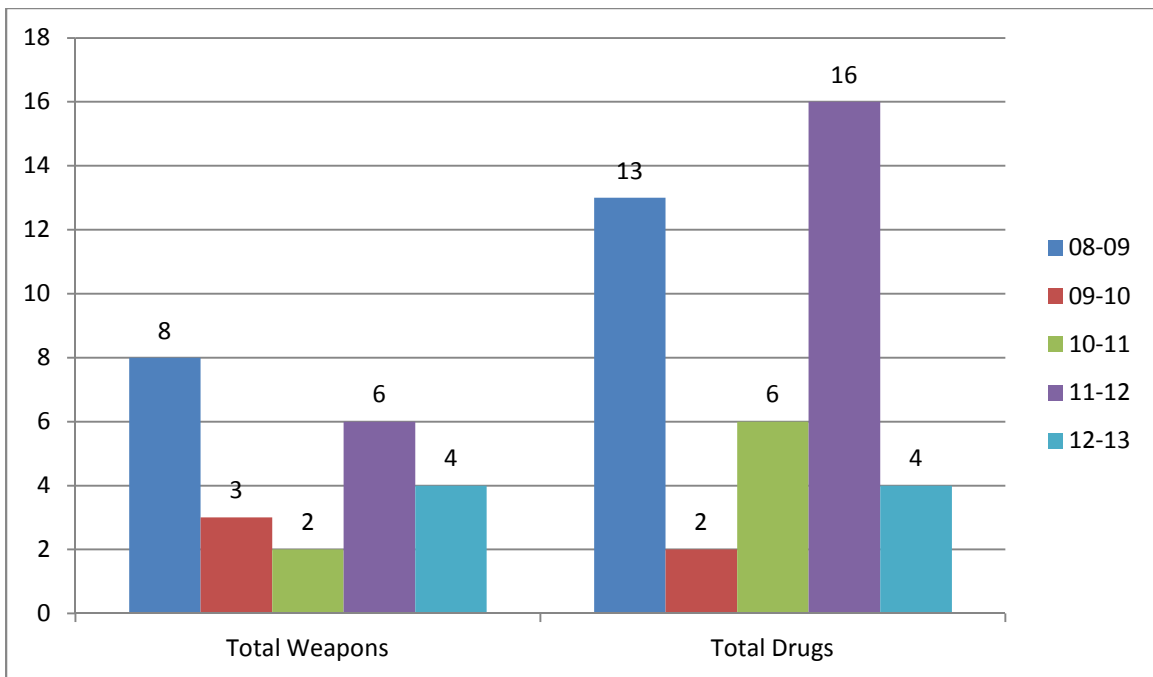

Objective D: Weapons and Drugs

First Quarter Report: 2012-2013 School Year

Executive Summary

In accordance with Strategic Objective 3D, the district is to reduce the number of Weapons and Drugs on school campuses as measured by official police reports to 45 or less in each category by FY 2014. For the period of July 1, 2012 through September 30, 2012 there have been 4 incidents involving drug violations and 4 incidents involving weapons violations. With an emphasis on Strategic Objective 3D, we are ensuring that a minimum of 3 Random Administrative Inspections are done per school every week. There has been a decrease in weapons as compared to the first quarter of FY2012 and a significant decrease in drug violations. The Random Administrative Inspections and continued Safe School Searches are a part of the normal routine of all schools, thus providing a major deterrent for students looking to bring weapons and/or drugs onto school grounds.

1st Quarter Drugs and Weapons Comparison

Attached is a breakdown of drug and weapons violations by elementary, K-8, middle, high and alternative schools for FY13 for the period of July 1 through September 30, 2012.

Drug violations are viewed under four areas of the official criminal code of the State of Georgia:

- OCGA 16-13-30 Purchase, possession, manufacture, distribution, or sale of controlled substances or marijuana.
