REQUEST FOR PROPOSAL #13-69

The Board of Public Education for the City of Savannah and the County of Chatham (hereinafter referred to as "the Board") is soliciting sealed proposals for **Annual Audit Services** as specified in this Request for Proposal (RFP). The successful bidder(s) (hereinafter referred to as "the offeror") shall meet the terms and conditions set forth in this document and all attachments.

I. Standard Terms and Conditions of Proposal

A. Definition

Competitive sealed proposals are being solicited in response to this RFP. The competitive sealed proposal process differs from competitive sealed bidding in two important ways:

1. It permits discussions with competing offerors and changes in their proposal including price; and
2. It allows comparative judgmental evaluations to be made on various criteria (in addition to cost) for award of the contract.

B. Pricing

No charge will be allowed for those federal, state or local sales and excise taxes where the Board is exempt by state and Federal law. A tax exemption certificate will be furnished by the Board to the successful offeror upon request.

The Board will factor any rebates offered for total dollar volume or quantities ordered over the performance period of this contract in the award of this proposal.

In the event the offeror wishes to provide additional services above and beyond the stated requirements of this proposal at "no cost" to the Board, these services should be identified and included in the proposal response.

C. Shipping, Delivery, Terms of Payment & Invoicing

All orders shall be shipped F.O.B. Destination to the designated site after receipt of the purchase order. Since the successful offeror(s) will be responsible for all freight expenses, the selection of carrier shall be determined by the offeror.

The successful offeror agrees to reference the following on all shipping documents and invoices:

- 1.) Purchase Order Number
- 2.) Serial Number (as applicable)
- 3.) Part Number/Description/Nomenclature
- 4.) Quantity Ordered
- 5.) Quantity Shipped
- 6.) Site Destination

Failure to ship order in its entirety will prevent payment of your invoices. **Per Board policy, backorders will not be accepted.** Accordingly, successful offeror(s) should not invoice until one shipment has been made for all items on order.

Offerors shall guarantee delivery of supplies and services in accordance with such delivery schedule as may be provided in the specifications.

The Board's Purchasing Director reserves the right to charge the vendor for each day the supplies or services are not delivered in accordance with the delivery schedule. The per diem charge may be invoked at the discretion of the Board's Purchasing Director and said sum to be taken as liquidated damages and deducted from the final payment, or charged back to the vendor.

All invoices should be mailed to:

Savannah-Chatham Co. Board of Public Education
Attn.: ACCOUNTS PAYABLE
208 Bull Street, Room 119
Savannah, GA 31401

Terms of payment will be 2% 10th Net 40 Days.

D. General Specifications/Scope of Work

Specifications/Scope of Work for **items/services** to be purchased are detailed in the attached Specifications Sheet "Attachment A" following Section III.

When reference is made in the specifications to manufacturer or brand name, such references are made solely to designate minimum acceptable levels of quality and do not indicate a preference.

In the event an offeror is proposing another manufacturer and/or model number other than stated in the specification, the offeror must provide complete technical information, specifications, manufacturer's name, model number and a complete list of deviations from stated specifications. The burden of proof for documenting equality rests with the offeror. All determinations of the acceptability of an equal or alternate material or equipment shall rest with the Board staff and their decision shall be final.

Proposals on equipment must be on standard, new equipment of the latest model and in current production, unless otherwise specified. Used, reconditioned or refurbished equipment is not acceptable unless otherwise specified.

All regularly manufactured stock electrical items must bear the label of the Underwriters Laboratories, Inc.

Any obvious error or omission in specifications shall not inure to the benefit of the offeror but shall put the offeror on notice to inquire of or identify the same from the Board.

E. Discontinuation of Equipment

In the event items requested are discontinued by the manufacturer, offeror shall substitute an equivalent replacement item from the same manufacturer at equal or lower pricing. Offeror shall advise of any anticipated discontinuations. Proposed replacement equipment must be submitted for review and approval prior to completion of any substitution.

F Submittal of Objections

Objections from offerors to this Request for Proposal and/or these specifications should be brought to the attention of the Board, Director of Purchasing. The offeror should submit any objections in writing not less than (5) days prior to the opening of the proposal. The objections contemplated may pertain to form and/or substance of the RFP documents and specifications. Failure to object in accordance with this

procedure will constitute a waiver on the part of the offeror to protest this Request for Proposal.

G. RFP Interpretations/Addenda

If any questions should arise pertaining to the RFP documents, the offeror may mail or fax a written request for interpretation to:

Savannah-Chatham Board of Public Education
Attn.: Joan Carter, CPPB
Buyer
208 Bull Street, Room 213
Savannah, GA 31401
Fax No.: (912)201-7648

Any interpretation of documents shall be made by addendum to the RFP. Copy of such addenda will be mailed or faxed to each offeror receiving a set of documents. All requests for interpretation must be submitted on or before the close of business, **05:00:00 PM on April 10, 2013**. The Board shall not be responsible for any other explanation of questions submitted after this date. The Board shall mail, fax, or contact offeror for pickup of any addenda prior to the **close of business on April 12, 2013**.

Any addenda issued during the time of the RFP shall be covered in submitted proposals, and in closing the contract shall become a part thereof.

H. Failure to Respond

If a proposal is not to be submitted but the offeror wishes to remain on the Board's list of offerors, the offeror should complete and return the Certification LMWBE Information document found in this packet marked "No Response".

I. Receipt & Registration of Proposals

Proposals and modifications shall be time-stamped upon receipt. Proposals shall not be opened publicly but shall be opened in the presence of two or more Purchasing officials. Proposals and modifications shall be shown only to Board personnel having a legitimate interest. Only after award of the contract shall proposals be open to public inspection.

J. Errors in Proposals

Offerors or their authorized representatives are expected to fully inform themselves as to conditions, requirements, and specifications before submitting proposals. Failure to do so will be at the offeror's own risk. The offeror may withdraw a proposal prior to the proposal opening date and time by requesting to do so in writing.

K. Standards of Acceptance of Proposal for Contract Award

The Board reserves the right to reject any and all proposals and to waive any irregularities or technicalities in proposals received whenever such rejection or waiver is in the best interest of the Board. The Board has the right to disqualify a proposal of any offeror as being unresponsive when such offeror cannot document its ability to deliver requested services or when investigation shows it is not in a position to perform the contract.

L. Compliance With Laws

The offeror shall obtain and maintain all licenses, permits, liability insurance, workman's compensation insurance and comply with any and all other standards or regulations required by Federal, State, or County statutes, ordinances and rules during the performance of any contract between the Board and the offeror. Any such requirement specifically set forth in any contract document between the offeror and the Board shall be supplementary to this section and not in substitution thereof.

M. Indemnity Provisions

Where offeror is required to enter or go onto property to provide services or gather information, the offeror shall be liable for any injury (including death), damage or loss occasioned by negligence of the offeror, his agent, or any person the offeror has designated to visit Board property and shall indemnify and hold harmless the Board, its officers, employees, agents and volunteers from any liability arising therefrom. Offerors should not include an indemnity or hold harmless agreement from the Board in any proposal. The Board will not be bound by any such agreement. Board Policy DJE provides in part: No contract, provision, agreement or term of any procurement, contract or agreement with the Board shall obligate the Board or System to indemnify, save or hold harmless any vendor for any future claim, loss, expense or liability.

N. Cancellation/Default of Contract

In the event the successful offeror, through any cause, should fail to fulfill the agreed upon obligations in an effective and timely manner, the Board shall have the right to terminate its contract by specifying the date of termination in a written notice to the selected vendor. The cancellation shall become effective on the date as specified in the notice of cancellation sent to the contractor. The Board also reserves the right to procure the articles or services from other sources and hold the defaulting vendor responsible for any excess cost incurred.

O. Certification of Independent Price Determination

By submission of this proposal, the offeror certifies, and in the case of a joint proposal each party thereto certifies as to its own organization, that in connection with this Request for Proposal:

1. The pricing structure in this proposal has been arrived at independently, without consultation, communication, or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other offeror or with any competitor;
2. The pricing structure which has been quoted in this proposal has not been knowingly disclosed by the offeror and will not knowingly be disclosed by the offeror prior to opening, directly or indirectly to any other offeror or to any competitor; and
3. No attempt has been made or will be made by the offeror to induce any other person or firm to submit or not to submit a proposal for the purpose of restricting competition.

P. Local and/or Minority/Women Business Enterprise (LMWBE)

It is Board policy to improve opportunities for Local and/or Minority/Women Business Enterprise (LMWBE) to participate competitively in proposals for materials and supplies, and professional services.

S. Proposal Discussion with Individual Offerors

Product quality, service issues and other factors stipulated above in Condition "O" must be met to the satisfaction of the Board for a proposal to be considered responsive. Moreover, the Board will award the contract to the next most qualified offeror if the selected offeror is unable to execute a contract and provide delivery within the time parameters specified in this RFP.

In the case of a tie of more than three offerors at the conclusion of the first step, the top three offerors will be determined by the following criteria:

1. Savannah-Chatham County LMWBE
2. Savannah-Chatham County Vendor

This agreement will be based on proposal documents, the submitted proposal and the associated negotiations.

V. Vendor Performance

W. Signed Proposal Considered Offer

The signed proposal shall be considered an offer on the part of the offeror, and shall be deemed accepted upon approval by the Board. In case of a default on the part of the offeror after such acceptance, the Board may take such action as it deems appropriate, including legal action for damages or lack of required performance.

PROPOSER SUBMITTAL FORM

RFP #13-69

The Board of Public Education for the City of Savannah and the County of Chatham (hereinafter referred to as "The Board") is soliciting sealed proposals for **ANNUAL AUDIT SERVICES** as specified in this Request for Proposal (RFP). The successful Offeror(s) (hereinafter referred to as "the Offeror") shall meet the terms and conditions set forth in this document and all attachments.

I. **Conditions of Proposal**

A. *Definition*

Competitive sealed proposals are being solicited in response to this RFP. The competitive sealed proposal process differs from competitive sealed bidding in two important ways:

1. It permits discussions with competing offerors and changes in their proposal including price, and
2. It allows comparative judgmental evaluations to be made on various criteria (in addition to cost) for award of the contract.

B. *Introduction*

The Board is requesting proposals for Audit Services. The objectives of this RFP are to identify the CPA firm that can offer the highest quality service at the lowest cost to the taxpayer. This objective is similar to all other goods and services placed on a competitive approach by the Board.

C. *Contract Period*

The initial period to be audited is the Board's fiscal year of July 1, 2012 - June 30, 2013. It is the Board's intention to continue with the selected auditor for a period of approximately three (3) years, including the initial period. A separate contract will be entered into for each audit period at least ninety (90) days prior to the end of the audit period. Fees for each period will be consistent with fees estimated in response to Section III. C. of the RFP.

D. *Proposal Calendar*

See Attachment "B" for Calendar of Proposal Activities.

E. Criteria for Evaluation and Selection

After a review of the Mandatory Qualification Form (Attachment "E"), the selection process will be performed in two steps. The first step will be in the evaluation of the Technical Proposal developed by each firm in response to this RFP in the form specified in Section III. B. The criteria for evaluating the technical qualifications are outlined in Attachment "D" Section II. Fee information is not required as part of the Technical Proposal and should be submitted with the Technical Proposal in a separate sealed envelope clearly identified as "The Board of Public Education for the City of Savannah and the County of Chatham 2013 Audit Service Fee Proposal."

Fee proposals will be the second step of the selection procedure. Fee Proposals will be evaluated only from those firms which achieved an acceptable score on their Technical Proposal. Details on the contents of the Fee Proposals and the final scoring of the two steps are given in Attachments "C" & "D".

All technical requirements, unless otherwise specified, must be met, or be capable of being met, by the proponent or such proposal will be disqualified on the basis of non-responsiveness. Proponents whose proposals are not accepted will be promptly notified that they are no longer being considered.

II. Instructions to Offerors

A. Proposal Preparation and Submittal

All proposals shall be:

Typewritten or printed legibly in ink and signed by an authorized representative, with all erasures or corrections initialed and dated by the official signing the proposal. ALL SIGNATURE SPACES MUST BE SIGNED. Facsimile, printed, copied or typewritten signatures are not acceptable.

Submitted in an envelope which is plainly marked with the proposal number and title, and date and time of proposal opening. If proposal materials require additional envelopes, then the proposal package must be combined together with the marked envelope on top.

Submitted in proposal format as described in this RFP and in accordance with instructions stated in Section III Proposal Format and the Scope of Services Attachment "A".

Mailed or delivered in sufficient time to ensure receipt by the Purchasing Department prior to the Public Proposal Opening date and time. Whether sent by mail or by means of personal delivery, the Offeror assumes the risk for having the proposal deposited on

time and at the place specified on the cover letter of this RFP. Late proposals will be returned unopened to the Offeror.

Offerors are encouraged to review carefully all provisions and attachments of this document prior to submission. Each proposal constitutes an offer and may not be withdrawn except as provided herein.

The Offeror shall submit any objections in writing not less than five (5) days prior to the opening of the proposal. The objections contemplated may pertain to form and/or substance of the RFP documents. Failure to object in accordance with this procedure will constitute a waiver on the part of the Offeror to protest this Request for Proposal.

C. Failure to Submit a Proposal

If a proposal is not to be submitted but the Offeror wishes to remain on the Board's list of Offerors, the Offeror should return this RFP document including a written explanation.

Only after award of the contract shall proposals be open to public inspection.

E. Errors in Proposals

Offerors or their authorized representatives are expected to fully inform themselves as to conditions, requirements, and specifications before submitting proposals. Failure to do so will be at the Offeror's own risk. The Offeror may withdraw a proposal prior to the proposal opening date and time by requesting to do so in writing.

F. Standards of Acceptance of Proposal for Contract Award

The Board reserves the right to reject any and all proposals and waive any irregularities or technicalities in proposals received whenever such rejection or waiver is in the best interest of the Board. The Board has the right to disqualify a proposal of any Offeror as being unresponsive when such Offeror cannot document its ability to deliver requested services or when investigation shows it is not in a position to perform the contract.

G. Compliance With Laws

The Offeror shall obtain and maintain all licenses, permits, liability insurance, workman's compensation insurance and comply with any and all other standards or regulations required by Federal, State, or County statutes, ordinances and rules during the performance of any contract between the Board and the Offeror. Any such requirement specifically set forth in any contract document between the Offeror and the Board shall be supplementary to this section and not in substitution thereof.

K. Public Information

It is the policy of the Board that at the conclusion of the selection process, the contents of all proposals will be placed in the public domain and be open to inspection by interested parties. Trade secrets or proprietary information that are recognized as such and are protected by law may be withheld, if clearly identified as such in the proposal. Failure to list all proprietary sections of the submitted proposal shall relieve the Board from any responsibility should such information be viewed by the public, a competitor, or be in any way accidentally released.

L. Indemnity Provisions

The auditor agrees to indemnify, defend and hold harmless the Board, its officers, agents, and employees from any claims, damages and actions of any kind or nature,

whether at law or in equity, arising from or caused by the use of any materials, goods, or equipment of any kind or nature furnished by the auditor/any services of any kind or nature furnished by the auditor, provided that such liability is not attributable to the sole negligence of any government entity employee or to failure of government entity employees to use the materials, goods, or equipment in the manner described by the auditor on the materials, goods, or equipment delivered.

Where the Offeror is required to enter or go onto property to provide services or gather information, the Offeror shall be liable for any injury (including death), damage or loss occasioned by negligence of the Offeror, his agent, or any person the Offeror has designated to visit Board property and shall indemnify and hold harmless the Board, its officers, employees, agents and volunteers from any liability arising therefrom.

M. Cancellation of Contract

In the event the successful Offeror, through any cause, should fail to fulfill the agreed upon obligations in an effective and timely manner, the Board shall have the right to terminate its contract by specifying the date of termination in a written notice to the selected vendor at least sixty (60) days before that termination date.

N. Certification of Independent Price Determination

By submission of this proposal, the Offeror certifies, and in the case of a joint proposal each party thereto certifies as to its own organization, that in connection with this Request for Proposal:

1. The pricing structure in this proposal has been arrived at independently, without consultation, communication, or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any Offeror or with any competitor.
2. The pricing structure which has been quoted in this proposal has not been knowingly disclosed by the Offeror and will not knowingly be disclosed by the Offeror prior to opening, directly or indirectly to any other Offeror or to any competitor; and
3. No attempt has been made or will be made by the Offeror to induce any other person or firm to submit or not to submit a proposal for the purpose of restricting competition.

O. Award of Contract

The contract, if awarded, will be awarded to that responsible Offeror whose proposal will be most advantageous to and in the best interest of the Board as defined in Section I. D. Failure to enter into a subsequent contract within 30 days from the Board approval will render the proposal/response/offer invalid. Moreover, the Board may award the

contract to the next most qualified Offeror if the selected Offeror is unwilling or unable to execute a contract within thirty days after the award of the proposal.

At its option, the Board may take either of the following actions in order to form an agreement between the Board and the selected Offeror:

1. Accept a proposal by issuing a written "Notice of Award" to the selected Offeror, which incorporates the proposal documents by reference and accepts all or selected portions of the Offeror's proposal. This "Notice of Award" will represent a contractual obligation, and will be executed by both the Board and the selected Offeror.
2. Enter into negotiations in an effort to reach a mutually satisfactory agreement entitled "Memorandum of Agreement for Annual Audit Services", which represents a contractual obligation and will be executed by both the Board and the selected Offeror. This agreement will be based on proposal documents, the submitted proposal and the associated negotiations.

P. Qualification of Offeror

A responsible Offeror is defined as one who meets, or by the date of the proposal acceptance can meet, all requirements for licensing, insurance, and service contained within this Request for Proposal. The Board has the right to require any or all Offerors to submit documentation of the ability to perform, provide, or carry out the service requested.

Q. Proposal Discussion with Individual Offerors

Discussion may be held with offerors submitting proposals acceptable or potentially acceptable. The purposes of the discussion are:

1. Promote understanding of the Board's requirements and the offeror's proposals; and
2. Facilitate arriving at a contract most advantageous to the Board taking into consideration price and other evaluation factors set forth in the RFP.

R. Proposal Clarification

The Board reserves the right to request clarification of information submitted and to request additional information from any and all Offerors.

S. Compliance with Specification/Terms and Conditions

The Request for Proposal, Legal Advertisement, General Conditions and Instructions to

Offerors, Scope of Services, Special Conditions, Vendor's Proposal, Addendum, and/or any other pertinent documents form a part of the Offeror's proposal and by reference are made a part hereof.

T. Signed Proposal Considered Offer

The signed proposal shall be considered an offer on the part of the Offeror, and shall be deemed accepted upon approval by the Board. In case of a default on the part of the Offeror after such acceptance, the Board may take such action as it deems appropriate, including legal action for damages or lack of required performance.

U. Notice of Award

The successful contractor shall not commence services under this Request for Proposal or any amendment hereafter until a written Notice of Award is issued by the Board or a Memorandum of Agreement is executed by the Board and the selected vendor. If the successful Offeror does commence any work or provide any services prior to receiving official notification, he does so at his own risk.

V. Ethics in Public Contracting

By submitting their proposals, all auditors certify that their proposals are made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other auditor, supplier, manufacturer or subcontractor in connection with their proposals, and that they have not conferred on any government entity employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged. Auditors specifically certify by submitting their proposal that they are not in violation of the Official Code of Georgia Annotated, Sections 16-10-2 and 16-10-22, for acts of bribery and/or conspiracy in restraint of free and open competition in transactions with state or political subdivisions. Auditors contracting with agencies of the State of Georgia (as defined in the Official Code of Georgia Annotated, Section 45-10-20) further certify that Official Code of Georgia Annotated, Title 45, Chapter 10, Article 2, which prohibits certain public officials and employees of the State of Georgia from transacting business with certain state agencies, has not been and will not be violated in any respect by execution of this proposal and any contract resulting therefrom.

W. Debarment Status

By submitting their proposals, all auditors certify that they are not currently debarred from submitting bids or proposals on contracts by any agency of the State of Georgia and the federal government, nor are they an agent of any person or entity that is

currently debarred from submitting bids on contracts by any agency of the State of Georgia or the federal government.

X. *Assignment of Contract*

A contract shall not be assignable by the auditor in whole or in part without the written consent of the Board.

Y. *Default*

In case of failure to deliver goods or services in accordance with the contract terms and conditions, the Board, after due notice, may procure them from other sources and hold the auditor responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies which the Board may have.

Z. *Contract Limitations*

During the contract period, the auditor agrees not to submit proposals on or perform any accounting, consulting, compilation and review, or any other services outside the scope of this contract for the Board without the prior written approval of the Board.

AA. *Subcontracts*

No portion of the work shall be subcontracted without prior written consent of the Board. In the event that the auditor desires to subcontract some part of the work specified herein, the auditor shall furnish the Board the names, qualifications and experience of their proposed subcontractors. The auditor shall, however, remain fully liable and responsible for the work/service to be performed by his/her subcontractor(s) and shall assure compliance with all requirements of the contract.

AB. *Worker's Compensation*

The auditor shall be required at all times during the term of this agreement to subscribe and comply with the Workers' Compensation laws of the State of Georgia and to save harmless the Board from any and all liability from or under said act.

AC. *Social Security/Employment Taxes*

The auditor shall be and remain an independent contractor with respect to all services performed hereunder and shall accept full exclusive liability for the payments of any and all contributions or taxes for Social Security, Unemployment Benefits, pensions, and annuities now or hereafter imposed under any State or Federal laws which are measured by the wages, salaries, or other remuneration paid to persons employed by the auditor on work performed under the terms of this agreement.

The auditor further shall obey or satisfy all lawful rules, regulations, and requirements

issued or promulgated under said respective laws by any duly authorized State or Federal officials. The auditor shall indemnify and save harmless the government entity from any contributions, taxes, or liability referred to in this article.

AD. Higher Level Audit Services

If the auditor becomes aware that the Board is subject to audit requirements that may not be encompassed in the terms of the contract, he or she shall communicate this situation immediately to the CFO, that in accordance with the established contract certain relevant legal, regulatory, or contractual requirements may not be met.

AE. Changes in Auditing Standards/Federal Requirements

As professional auditing standards or Federal auditing requirements change, the auditor shall adjust his/her auditing techniques and reporting formats and criteria so the new standards and requirements are met. Any additional hours used by the auditor as a result of such changes that would cause the auditor to exceed the proposed hours as submitted in the Cost Proposal shall be treated as provided by the 4th paragraph of Section III C., Fee Proposal.

AF. Rates for Additional Professional Services

If it should become necessary for the Board to request the auditor to render any additional services to either supplement the services requested in this request for proposals or to perform additional work as a result of the specific recommendations included in any report issued on this engagement, then such additional work shall be performed only if set forth in an addendum to the contract between the government entity and the firm. Any such additional work agreed to between the government entity and the firm shall be performed at the same rates as set forth in the schedule of fees and expenses included in the sealed dollar cost proposal.

III. Proposal Format

Failure to follow the format or to address an area adequately may cause the proposal to be deemed unresponsive and therefore, be excluded from consideration.
