Please include with your proposal all documents requested by this solicitation, including, but not limited to, a copy of your firm’s current business license and certificate of insurance. **Failure to include all of the information and/or documents requested by this solicitation could result in the offeror’s proposal not being considered by the SCCPSS.**

"AN EQUAL OPPORTUNITY EMPLOYER"
REQUEST FOR PROPOSALS (RFP): #18-55
Data Cabling (Annual Contract)

I. INTRODUCTION

The Board of Public Education for the City of Savannah and the County of Chatham (the “Board”), the body corporate responsible for public education in Chatham County, which is commonly known as the Savannah-Chatham County Public School System (“SCCPSS”), seeks sealed proposals for Data Cabling (Annual Contract) as specified in this Request for Proposals (“RFP”).

It is worth noting at the outset that the competitive sealed proposal (RFP) process differs from competitive sealed bidding in two important ways:

1) It permits discussions with competing Offerors and changes in their proposal including price; and
2) It allows comparative judgmental evaluations to be made on various criteria (in addition to cost) for award of the contract.

Vendors who wish to be awarded a contract by the Board to provide the goods and/or services requested by this RFP shall be referred to herein as the “Offeror(s).” To be considered for an award of a contract under this RFP, Offerors should carefully read this solicitation document, which is called Request for Proposals (RFP) #18-55, and all of the forms, product specifications, service requirements, contract documents, or other materials that may attached hereto or referenced herein. This RFP and the associated documents identify the goods and/or services requested by the SCCPSS, contain the instructions for preparing and submitting proposals, and outline the process by which the Board will award a contract for those goods and/or services, if it decides to award a contract at all.

II. GENERAL TERMS AND CONDITIONS FOR THIS RFP

A. A “Cone of Silence” Applies to this RFP.

A “Cone of Silence” is imposed upon this RFP after advertising, and terminates at the time the Board awards a contract. The Cone of Silence prohibits any communications by written, oral, or electronic form by, or on behalf of, a prospective Offeror for this solicitation, including any persons affiliated with or in any way related to a prospective Offeror, and any member of the Board of Education, the superintendent or her staff, any persons involved in evaluating the bid, program managers, or members of any selection committee. The Cone of Silence is intended to prohibit lobbying for, or against, a particular vendor or vendors and to prevent prospective Offerors from circumventing the process for selection set forth in this RFP.

The Cone of Silence does not apply to oral communications with the Director of Purchasing, or the Director of Purchasing’s designees, at pre-proposal conferences, site visits (as applicable), presentations before selection committees, or contract negotiations with offerors selected for award. Written communications expressly authorized by this solicitation, such as (1) the submission of the proposal itself, (2) requests for interpretation, requests for material substitutions, protests, or similar inquiries to the purchasing department, (3) documents circulated at oral presentations before selection committees, or (4) documents circulated in connection with contract negotiations with the Offeror(s) selected for award are also permitted in communication with the Director of Purchasing or the Director of Purchasing’s designees. The Cone of Silence does not apply to presentations allowed by Board policy or to the Board of Education at a duly called public meeting.

In addition to any other penalties provided by law, violation of the Cone of Silence by any Offeror may result in the rejection of the Offeror’s response and disqualify the Offeror from being awarded any contract as a result of this solicitation. Any person having personal knowledge of a violation of these provisions shall immediately report such violations to the District’s Purchasing Department.

B. The Goods and/or Services Requested by the SCCPSS.

The goods and/or services requested by the SCCPSS in this RFP are described in more detail in “Attachment A- Goods and/or Services Requested, Format of Proposals, Evaluation Criteria for Award, and Contract Requirements,” which is incorporated into this RFP by this reference.

C. The Advertising Dates for this RFP.

This RFP is being advertised on the Purchasing Department page of the SCCPSS website, http://internet.savannah.chatham.k12.ga.us/, and in the Savannah Morning News, the newspaper for legal notices in Chatham County, Georgia.

The advertising date(s) for this Request for Proposals (RFP) in the Savannah Morning News are as follows:

D. Pre-Proposal Conferences Held by the Purchasing Department.

Offerors should be advised that “No pre-proposal conference is scheduled for this RFP”.

E. The Deadline for Submitting Proposals in Response to this RFP.

The deadline for submitting proposals in response to this RFP, unless extended by the SCCPSS, shall be as follows:

Tuesday, June 5, 2018 at 11:00 a.m. Time is of the essence, and any proposal received after this deadline for submission, whether by mail or otherwise, will not be accepted. Offerors are responsible for ensuring that their proposals are timely received and stamped by Purchasing Department personnel. It shall not be sufficient to show that the proposal was mailed in time to be received before the scheduled deadline.

This deadline may be extended for all prospective Offerors within the discretion of the Director of the Purchasing Department or her designee for any reason. A non-exclusive list of reasons why the deadline may be extended include: the issuance of addenda to this RFP or the associated specifications, a total absence of proposals, SCCPSS closure due to inclement weather, etc. The Director of the Purchasing Department will either extend the deadline for all Offerors or not all.

F. Delivery and Submission of Proposals.

Offerors shall timely deliver proposals in person, by mail, or by a commercial delivery service, such as Federal Express or UPS, to the following address:

G. Receipt and Registration of Proposals.

Proposals and modifications shall be time-stamped by the Purchasing Department upon receipt. After the deadline for submissions of proposals has passed, proposals shall not be opened publicly but shall be opened in the presence of two or more Purchasing Department officials. Proposals and modifications shall be shown only to Board personnel having a legitimate interest. Only after award of the contract shall proposals be open to public inspection.

H. Timely-filed, Signed Proposals Considered an Offer.

An Offeror’s timely-filed, signed proposal shall be considered an offer on the part of the Offeror which may become a binding contract on the Offeror if accepted by the Board at the conclusion of the proposal evaluation process. By submitting a proposal in response to this RFP, Offeror agrees that proposal will remain open for acceptance by the Board for at least 120 days without any changes in terms or pricing.

In event that the Offeror refuses to perform its promises made in its offer after acceptance by the Board, the Board may take such action as it deems appropriate to redress the Offeror’s failure to perform, including legal action for damages or equitable relief, including specific performance, for the Offeror’s lack of required performance.

I. Non-Response by Prospective Offerors

If an Offeror does not wish to submit a proposal in response to this RFP but would like to remain on the list of potential vendors for the SCCPSS, please complete and return only the “No Proposal Statement Form” included with this RFP packet and clearly mark the outside of the envelope with the words “No Response.”

J. Form and Formatting of Proposals.

The form and formatting requirements for proposals requested by this RFP are described in “Attachment A- Goods and/or Services Requested, Format of Proposals, Evaluation Criteria for Award, and Contract Requirements.”

K. Bid Bonds.

A bid bond IS required with Offeror’s proposal for this RFP.

L. Performance Bonds.

A performance bond IS NOT required in connection with this RFP.

M. Offeror’s Essential Credentials and Business Structure to be considered a “Responsible Offeror.”

To be even be considered for a possible award of a contract for the goods and/or services requested by this RFP, an Offeror must be deemed a “responsible” Offeror by the SCCPSS Purchasing Department.

To be considered a “responsible” Offeror for the purpose of this RFP, an Offeror must be licensed and have the capacity to provide the goods and/or perform the services requested by this RFP and must be able to meet the minimum licensing, bonding, insurance, and contractual requirements of this RFP. The Board reserves the right to request an Offeror to provide additional information or documentation to demonstrate that it is a “responsible” Offeror. Failure to provide the requested additional information, in itself, will be sufficient grounds for the Board to declare the Offeror to be not “responsible” for the purposes of this RFP.

RFP Continues on Next Page
To be considered a “responsible” Offeror, the Offeror’s majority (51%) ownership, whether public or private, must be held by citizens or lawful permanent residents of the United States.

To be considered a “responsible” Offeror, the Offeror must attach to its proposal a copy of any and all business licenses needed for the Offeror to provide the requested goods and/or services, including any local business licenses needed to provide the good and/or services requested by this RFP in Chatham County.

If the Offeror is a corporation, a copy of a current Annual Corporate Registration issued by the State in which the Offeror incorporated is required to demonstrate that the Offeror is a “responsible” offeror.

While any lawful form of business may be a “responsible” Offeror, if the Offeror is a partnership or joint venture (PJV), a copy of the contractual agreement between the participants in the PJV must be provided with the PJV’s proposal. The PJV agreement must be adequate to its purpose of establishing a safe and well-structured good faith relationship between the participants, and must comply with all applicable laws, including Antitrust Laws. The agreement must include adequate provisions to address unforeseen events such as the demise of any one of the partners or joint venture companies, and the like.

If a joint venture, information and documentation must be provided to establish whether the joint venture is a business entity created for the purpose of functioning as the joint venture, or whether the joint venture is operated through the existing legal status of the venture partners. All information regarding the legal structure and reporting of income for tax purposes of the PJV must be provided. The District may disqualify from consideration the Offer of any PJV when it determines such disqualification to be in its best interest.

The District WILL NOT enter into an agreement with more than one legal business entity. Additionally, if two or more projects have not been previously undertaken and successfully completed by a PJV Offeror, each party to the PJV responding to this RFQ must submit complete but separate proposals making clear that it is a part of a PJV Offer. It is required that each participant in a PJV be routinely and on a daily basis in the business of providing services which are closely similar or identical to those Services solicited by this RFP.

N. Insurance, Warranty, Indemnity Requirements for “Responsible” Offerors.

To be considered a “responsible” Offeror, all Offerors may be required to meet minimum insurance, warranty, and indemnity requirements set forth in more detail in “Attachment A- Goods and/or Services Requested, Format of Proposals, Evaluation Criteria for Award, and Contract Requirements,” which is incorporated by this reference.

To be considered a “responsible” Offeror, all Offerors are required to comply with O.C.G.A. § 13-10-91, a Georgia statute that prohibits a public employer such as the SCCPSS from entering into any contract with a contractor who fails to participate in the federal work authorization program E-Verify or fails to demonstrate that it is not required to participate in the E-Verify program. In order to be deemed a “responsible” Offeror eligible for this RFP, the Offeror must provide the affidavit(s) or other documentation required O.C.G.A. § 13-10-91. While the District provides sample O.C.G.A. § 13-10-91 affidavit forms in this RFP, Offerors are solely responsible for familiarizing themselves with their obligations under O.C.G.A. § 13-10-91 and making sure that they provide the Board with the required documentation.

P. Local and/or Minority/Women Business Enterprise (LMWBE) Policies.

It is the policy of the Board to maximize the utilization of qualified local, minority, and women owned business enterprises (“LMWBEs”) who provide professional services or who serve as prime contractors, subcontractors or suppliers as a part of the District’s facilities construction, maintenance and repair programs. Prime contractors on district construction projects shall make and document good faith efforts to maximize the utilization of qualified LMWBEs as subcontractors and suppliers and provide proof of such efforts and contracts with and payments made to LMWBEs upon request. The Board also promotes capacity building within the local
construction community and encourages the use of partnerships, teaming and mentorships to provide LMWBEs with relevant and necessary experiences to grow their business.

For the purposes of this policy, good faith efforts may include, but not be limited to, the following:

- Attend pre-solicitation meetings to inform LMWBEs of subcontracting opportunities.
- Advertise in general circulation media, trade association publications, and minority and women business enterprise media to provide notice of subcontracting opportunities.
- Communicate with the City of Savannah’s Office of Economic Development to identify available and qualified LMWBE firms.
- Review the District’s list of vendors indicating an interest in providing services to the District.
- Select portions of work for subcontracting in areas with established availability of LMWBE subcontractors.
- Solicit and negotiate with available and qualified LMWBEs for specific subcontracting opportunities.
- Assign substantive work to LMWBEs or LMWBE teaming partners.

For the purposes of this policy, a local business enterprise is defined as (1) having established a regular, physical place of business other than a job site office with at least one employee within the geographical boundaries of the Savannah, Georgia Metropolitan Statistical Area (MSA) prior to the closing date on the solicitation (a post office box address will not satisfy this requirement); (2) having a current Business Tax Certificate and other licenses, certificates, or permits required by law to operate a business in that location; and (3) performing a commercially useful function within the local office.

For the purposes of this policy, a Minority Business Enterprise is an independent, continuing venture that is at least 51% owned by a minority person or persons that meets the criteria for a Disadvantaged Business. A Disadvantaged Business is a small business which is owned, controlled and managed on a daily basis by a majority or persons, not limited to members of minority groups, who have been deprived of the opportunity to develop and maintain a competitive position in the economy because of social disadvantage. This includes:

1. African American: A person with origins in any of the Black racial groups of Africa;
2. Hispanic American: A person with origins from Mexico, South America, Central America or the Caribbean Basin, regardless of race; and
3. Asian American: A person with origins from the Indian subcontinent, countries of the Asian Pacific region, and surrounding countries; and

For the purposes of this policy, a Women Business Enterprise is an independent, continuing venture that is at least 51% owned by one or more women. To qualify as an LMWBE, the owner must be a citizen or lawful permanent resident of the United States, be involved in daily business operations, and provide a commercially useful function. The ownership interest must be real and continuous and not created solely to meet the local/minority/women business or local/minority/women contractor good faith efforts.

SCCPSS shall, through their program management and construction management providers, engage in efforts to communicate opportunities afforded by the District’s facilities construction, maintenance and repair programs to LMWBEs, including but not limited to:

- Communicate opportunities associated with SCCPSS facilities construction, maintenance and repair programs to the citizens of Chatham County.
- Work with other local governments and relevant community organizations to provide technical assistance and guidance to LMWBEs;
- Develop strategies to assist prime contractors in maximizing their utilization of LMWBEs;
- Develop and provide informational sessions to educate LMWBEs in the requirements of the District’s procurement process;
• Provide notices as outlined above and maintain a list of vendors who have provided or are interested in providing services to the SCCPSS, as outlined above.

SCCPSS may, from time to time, audit vendor contracts with and payments to LWMBE contractors and subcontractors and may require that proof of such contracts and payments be provided to the SCCPSS.

The Savannah Entrepreneurial Center of the City of Savannah is merely a reference resource, and has and shall have no authority in the evaluation of Offerors or Statements of Qualifications, or in the disposition of grievances or protests pertaining to this RFQ.

All bidders must read, complete and return all of the LMWBE forms attached to this RFP, with the exception of the LMWBE monthly report which is produced to illustrate the monthly report that will be required to be filed by any Offeror(s) that may ultimately be awarded a contract by the Board.

Q. The Board’s Reservation of Rights to Cancel this RFP, to Amend the RFP Process, to Disqualify Offerors, and to Waive Irregularities and Technicalities.

The Board, in the discretion of the Purchasing Director, the Director of Budgeting Services, the Superintendent, or the Board’s governing body, the elected School Board, may cancel this RFP at any time before the Board awards a contract to any Offeror(s). The Board may decline to purchase the goods and/or services solicited in this RFP at all or it may decide to purchase some or all of the same goods and/or services through a similar or different procurement process.

The Board, in the discretion of the Purchasing Director, the Director of Budgeting Services, the Superintendent, or the Board’s governing body, the elected School Board, reserves the right to amend this RFP and all attachments in any way and at any time (without cancelling it in its entirety) before the deadline for the submission of proposals. Any addenda amending this RFP will be made available to all Offerors on the SCCPSS website. As stated above, the submission deadline will be extended at least seventy-two (72) hours if any addenda is issued less than seventy-two (72) hours before the submission deadline.

The Board further reserves the right to amend this RFP in any way after the deadline for the submission of proposals (without cancelling the RFP in its entirety), except the Board will not amend the original proposal formatting or submission requirements, the criteria for determining whether the Offeror is a “responsive” or “responsible” Offeror, or any of the initial evaluation criteria used for determining whether the Offeror is “reasonably susceptible of being selected for award” or “short-listed,” phrases commonly used by the Purchasing Department to indicate that an Offeror performed well enough on the initial evaluation criteria to be eligible to participate in interviews or subsequent rounds of evaluations. A non-exclusive example of such an amendment to an RFP may be changes to second round evaluation criteria to help differentiate those short-listed Offerors determined to be “reasonably susceptible of being selected for award.”

The Board further reserves the right to redo any stage of this RFP (without cancelling it in its entirety) if the Board, in the discretion of the Purchasing Director, the Director of Budgeting Services, the Superintendent, or the Board’s governing body, the elected School Board, has concerns that a stage of the RFP should be redone to eliminate any question of whether it was conducted properly. A non-exclusive example of redoing a stage of the RFP is as follows: If the Superintendent has concerns that the impartiality of a member of an interview panel might reasonably be questioned, the Superintendent may direct that all Offerors previously interviewed be interviewed again with a new panel, without canceling the solicitation and restarting the solicitation in its entirety.

The Board reserves the right to reject any and all proposals submitted in response to this RFP, and to waive any irregularities or technicalities in proposals received whenever such rejection or waiver is in the best interest of the Board.

The Board has the right to disqualify a proposal of any Offeror on the basis that the proposal is “nonresponsive” or the Offeror is “not responsible.”
A proposal shall be deemed “nonresponsive” if it fails to include all of the information or documents required by this RFP.

An Offeror shall be deemed “not responsible” if the Board determines that the Offeror fails to meet the minimal requirements to be eligible for consideration, including but not limited to, a lack of capacity to do the work or provide the services requested, a lack of proper insurance, the lack of a valid business license, failure to satisfy e-Verify requirements, being disqualified from working for the SCCPSS because of poor performance on a prior project, or some other reason that gives the Board reason to question the responsibility or reliability of the Offeror. The District reserves the right to request an Offeror to provide additional information in response to any concern that an Offeror may not be a “responsible” Offeror. Failure to provide the requested additional information, in itself, will be sufficient grounds for the Board to declare the Offeror to be not “responsible” for the purposes of this RFP.

R. Evaluation and Award of Contract.

A contract with the Board, if one is awarded at all, for the goods and/or services requested in this RFP will be awarded by means of the evaluation process described in in “Attachment A - Goods and/or Services Requested, Format of Proposals, Evaluation Criteria for Award, and Contract Requirements.”

Depending on the nature of the goods and/or services the Board may provide a sample of the contract it is willing to execute with a successful Offeror. If such a sample contract is attached, then the Offeror is deemed to have agreed that all of the terms contained therein will be acceptable by submitting a proposal. If the Offeror wants to propose materially different terms, then the Offeror should file a request for Material Substitution using the procedure outlined above before submitting its proposal.

For other goods and/or services, the Board may ask Offerors to provide a proposed contract. The terms of that proposed contract will be evaluated as part of the selection process and the District may ask short-listed Offerors determined to be reasonably susceptible for award to negotiate specific terms. The specifications for the goods and/or services requested by this RFP may also include specific contract terms outlined in “Attachment A - Goods and/or Services Requested, Format of Proposals, Evaluation Criteria for Award, and Contract Requirements” that should be included in any contract proposed by an Offeror.

By way of a non-exclusive example, the specifications may provide that the Board will not agree to any contract provision requiring the Board to indemnify any Offeror as such provisions are prohibited by Board policy and state law. Conversely, there may be times when the Board requires an Offeror to maintain certain levels of insurance, to honor certain warranties, or to provide indemnity to the Board.

S. Consideration of Offeror Past Performance.

Successful Offerors should be advised that they will be evaluated by the District over the duration of the contract period. Performance will be documented. Poor performance may result in the Offeror being disqualified on future RFPs. Good performance may result in the Offeror receiving additional points on future RFPs.

T. Public Information.

It is the policy of the Board that at the conclusion of the selection process, the contents of all proposals will be placed in the public domain and be open to inspection by interested parties. Trade secrets or proprietary information that are recognized as such and are protected by law may be withheld, if clearly identified as such in the proposal. Failure to list all proprietary sections of the submitted proposal shall relieve the Board from any responsibility should such information be viewed by the public, a competitor, or be in any way accidentally released.
U. Offeror Questions, Requests for Interpretations, and Issuance of Addenda.

If an Offeror should have any questions relating to an RFP, including but not limited to the interpretation of RFP language, the specifications for the goods and/or services requested, the terms of sample contract provisions attached to this solicitation, the preparation or submission of proposals, or the evaluation and contract award process outlined in this RFP, the offeror may deliver written requests for interpretation to the following address by U.S. Mail, by a commercial delivery service, such as Federal Express or UPS, or by fax:

Savannah-Chatham County Public School System  
Attn.: Sabrina L. Scales, Purchasing Director  
208 Bull Street, Room 213  
Savannah, GA 31401  
Fax No.: (912) 201-7648

All answers to questions and any interpretations of documents shall be made by addenda to the RFP and shall be made available to all Offerors on the District’s website. While the Board will also make a good faith effort to mail or fax any addenda to all Offerors who attended pre-proposal conferences, submitted requests for interpretations to the District, or otherwise communicated an interest to receive notice of addenda, the Board’s failure to provide an Offeror with individualized notice of an addenda will not provide an Offeror with grounds to protest the implementation of this RFP. Offerors are ultimately responsible themselves for keeping track of addenda issued by the Board before the deadline for submitting proposals in response to this RFP.

All requests for interpretation must be submitted to the Purchasing Department on or before the close of business, 5:00 PM on Wednesday, May 23, 2018. The Board shall not be required to answer any questions about this RFP submitted after this date.

The Purchasing Department will extend the deadline for submitting proposals for all Offerors by at least seventy-two (72) hours if it issues any addenda within seventy-two (72) hours before the scheduled proposal submission deadline.

The Purchasing Director, or her designee, in her discretion, may extend the deadline for submitting requests for interpretation for all Offerors if the deadline for submitting proposals is also extended.

V. Requests for Material Substitution of Products, Services, or Contract Terms.

The goods and/or services requested by the SCCPSS in this RFP are described in more detail in “Attachment A- Goods and/or Services Requested, Format of Proposals, Evaluation Criteria for Award, and Contract Requirements.” which is incorporated into this RFP by this reference.

When reference is made in the specifications as to a particular manufacturer, type of process, brand name, or model number, such references are usually, but not always, made to designate minimum acceptable levels of quality and do not indicate a preference. In some instances, a particular manufacturer, type of process, or brand name is required.

In the event an Offeror would like to propose another manufacturer, process, brand name, model number, etc. other than those stated in the specifications for this RFP, the offeror must provide complete technical information, specifications, manufacturer’s name, model number and a complete list of deviations from stated specifications. The burden of proof for documenting that the proposed substitute is equal to the goods or services identified in the specifications rests with the Offeror. All determinations of the acceptability of the proposed substitute goods or services shall rest with the Board staff and their decision shall be final.

Proposals on equipment must be on standard, new equipment of the latest model and in current production, unless otherwise specified. Used, reconditioned or refurbished equipment is not acceptable unless otherwise specified. All regularly manufactured stock electrical items must bear the label of the Underwriters Laboratories, Inc. Any obvious error or omission in specifications shall not inure to the benefit of the Offeror but shall put the Offeror on notice to inquire of or identify the same from the Board.
All requests for the material substitution of good and services shall be submitted to the Purchasing Department to the following address by U.S. Mail, by a commercial delivery service, such as Federal Express or UPS, or by fax:

Savannah-Chatham County Public School System  
Attn.: Sabrina L. Scales, Purchasing Director  
208 Bull Street, Room 213  
Savannah, GA 31401  
Fax No.: (912) 201-7648

All answers to requests for material substitution shall be made by addenda to the RFP and shall be made available to all Offerors on the District’s website. While the Board will also make a good faith effort to mail or fax any addenda to all Offerors who attended pre-proposal conferences, submitted requests for interpretations to the District, or otherwise communicated an interest to receive notice of addenda, the Board’s failure to provide an Offeror with individualized notice of an addenda will not provide an Offeror with grounds to protest the implementation of this RFP. Offerors are ultimately responsible themselves for keeping track of addenda issued by the Board before the deadline for submitting proposals in response to this RFP.

All requests for material substitution must be submitted to the Purchasing Department on or before the close of business, 5:00 PM on Tuesday, May 22, 2018. The Board shall not be required to answer any questions about this RFP submitted after this date.

The Purchasing Department will extend the deadline for submitting proposals for all Offerors by at least seventy-two (72) hours if it issues any addenda within seventy-two (72) hours before the scheduled proposal submission deadline.

The Purchasing Director, or her designee, in her discretion, may extend the deadline for submitting requests for material substitution for all Offerors if the deadline for submitting proposals is also extended.

W. Protests

Any actual Offeror or bona fide prospective Offeror who is aggrieved in connection with this RFP may protest to the Purchasing Director. By submitting a Proposal in response to this RFP, the Offeror waives any objection to the content of this RFP (including any attachment or addenda) as well as any objection to any procedure outlined therein. Protests filed after the deadline for submissions shall only concern the implementation of the RFP as applied to the Offeror.

Any protest to the content of this RFP (including any attachment or addenda) as well as any objection to any procedure or evaluation criteria outlined therein shall be filed no later than five (5) business days prior to the deadline for submissions of proposals, unless the objection concerns an addenda issued fewer than five (5) business days prior to the deadline for submissions of proposals, in which case, an objection may be filed to that addenda only at any time before the submission deadline.

Any protest filed after the submission deadline shall be submitted within five business (5) days after the action by the District on which the grievance is based, but in no case later than five business (5) days after the date of the District’s notice of intent to award a contract for the provision of good and/or services requested in his RFP, which will be transmitted by fax to all Offerors.

The Board shall not intentionally withhold information that is stated in this RFP to be forthcoming at certain intervals, but failure of the District to notify an Offeror who might be aggrieved by the content of such notification shall not give rise to any claim or rights resulting from said failure. Only formal protests will be considered, and in order for a protest to be considered as formal, it must be presented in written form, and must contain a minimum of the following:
• A specific identification of the statutory or regulatory provision(s) that the District’s purchasing staff member or department is alleged to have violated,
• A specific description of each act alleged to have violated the statutory or regulatory provision(s) identified above,
• A precise statement of the relevant facts that include timelines and all involved parties, and
• An identification of the issue(s) that needs to be resolved that support the protest.

The letter of protest shall be taken under consideration by the Chief Financial Officer and/or the Superintendent, who shall respond to the protesting Offeror within ten (10) business days of receipt of the letter of protest. The initial written response may explain that the Chief Financial Officer and/or the Superintendent need additional time to review the Protest. In any event, a final decision will be issued on the Protest by the Chief Financial Officer and/or the Superintendent before the execution of a final contract with the successful Offeror. This written decision shall be final and conclusive.

X. **Offerors Not Entitled to Reimbursement for their Costs Associated with Submitting Proposals.**

The Board recognizes that participating in this RFP process, or any government procurement process, can be time consuming and expensive for Offerors. In participating in part of this process, Offerors acknowledge that their costs in participating in this process are the costs of attempting to do business with the SCCPSS.

All Offerors or potential Offerors, including unsuccessful Offerors or Offerors or potential offerors who file protests, agree that the Board shall not be responsible for reimbursing the Offeror for any costs they may incur in connection with this RFP, including staff time, printing costs, attorneys’ fees, or expenses of litigation.

Y. **Gratuity Prohibition.**

No Offeror shall offer any gratuities, favors, or anything of monetary value to any official, employee, or agent of the District for the purpose of influencing consideration of this solicitation.

Z. **Certification of Independent Submission of Proposals.**

By submitting a proposal in response to this RFP, the Offeror must certify that:

1. The information in this Statement of Qualifications has been arrived at independently, without consultation, communication, or agreement, for the purpose of restricting competition with any other Offeror or with any competitor;

2. The information in this Statement of Qualifications has not been knowingly disclosed by the Offeror and will not knowingly be disclosed by the Offeror prior to the District’s final determination regarding this RFQ, directly or indirectly to any other Offeror or to any competitor;

3. No attempt has been made or will be made by the Offeror to induce any other person or firm to submit or not to submit a Statement of Qualifications for the purpose of restricting competition; and,

4. In the event the Offeror is a partnership or joint venture, each party thereto certifies the above.
III. RFP ATTACHMENTS, SPECIFICATIONS, SAMPLE CONTRACTS, AND FORMS

The following attachments, specifications, sample contracts and forms are part of this RFP and are herein incorporated by this reference.

8.0 Evaluation Procedure and Procedure for Award.

By the proposal submission deadline, Offerors will submit their proposals in response to this RFP. Proposals shall be formatted as described in Section 9.0, Manner of Preparation, Format of Proposals, and Required Forms and Documents, and should be submitted with all of the forms and documents requested. Proposals will initially be reviewed by the Purchasing Department to determine whether the Proposals are “responsive” and the Offerors are “responsible” as described in the General Terms and Conditions of this RFP in light of the goods and/or services requested in this RFP as described more fully in this attachment “A.” If any proposal is determined not to be “responsive,” the Purchasing Department will inform the Offeror in writing that its proposal will not be considered on the basis that it is not “responsive.” If any Offeror is determined by the Purchasing Department to not be “responsible,” the Purchasing Department will inform the Offeror in writing that its proposal will not be considered on the grounds that the Offeror is not a “responsible” bidder.

After determining whether the proposals are “responsive” and the Offerors are “responsible,” the Purchasing Department will evaluate all of the “responsive” proposals from all of the “responsible” Offerors using the evaluation criteria set forth in Sections 9.0 and 10.0 below and rank the proposals in order of most desirable to least desirable. The Board may determine that all proposals are good enough to be “reasonably susceptible for award” or it may determine that only a certain number of the highest ranked Offerors are “reasonably susceptible of being selected for award” and create a short list of those Offerors (“short-listed Offerors”) that the SCCPSS is most interested in contracting with.

For this solicitation, the Purchasing Department may decide after ranking the “responsive” proposals form “responsible” Offerors to conduct interviews of all “short-listed” Offerors determined to be “reasonably susceptible of being selected for award.” The Purchasing Department may also decide to proceed to the final ranking.

If interviews are conducted, each of the firm(s) will be scheduled an interview/presentation time. The interviews will last approximately one (1) hour. There will be no separate evaluation points awarded for interviews/presentations; however, technical evaluation points may be revised based on the information that is presented and/or clarified during the interview process. As a result, the short-listed Offerors may be re-ranked. It will be the sole discretion of the evaluation team to decide if interviews will be required.

After the Purchasing Department completes its final ranking, the Superintendent or her designee will enter negotiations with the highest ranked Offeror to negotiate final contract terms, including, but not limited to price, that will be presented to the School Board, the Board’s governing body, for final approval. The School Board has discretion to accept or reject the Superintendent’s recommendation. If the School Board rejects the Superintendent’s recommendation, the School Board will direct whether it wants to cancel this RFP in its entirety, whether it wants the Superintendent to continue to negotiate with the highest ranked Offeror, or whether it wants the Superintendent to move on to the next Offeror on the list.

If the Superintendent or the School Board are unable to reach a final agreement as to the terms of a contract with the highest-ranked Offeror, then the Superintendent, or her designee, should proceed to negotiate
with the next highest-ranked Offeror and so on until an agreement that is acceptable to the School Board is reached or the RFP canceled.
