A copy of the proposal register will be posted to the District's website within seventy-two (72) hours after the closing date.

Please include in the proposal package a copy of firm’s current business license and certificate of insurance. Offerors shall file all documents necessary to support their proposal and include them with their submission.

"AN EQUAL OPPORTUNITY EMPLOYER"
REQUEST FOR PROPOSAL #18-16

The Board of Public Education for the City of Savannah and the County of Chatham (hereinafter referred to as "the Board") is soliciting sealed proposals for External Grant Evaluator (Annual Contract) as specified in this Request for Proposal (RFP). The successful offeror(s) (hereinafter referred to as "the offeror") shall meet the terms and conditions set forth in this document and all attachments.

I. Standard Terms and Conditions of Proposal

A. Definition

Competitive sealed proposals are being solicited in response to this RFP. The competitive sealed proposal process differs from competitive sealed bidding in two important ways:

1. It permits discussions with competing offerors and changes in their proposal including price; and
2. It allows comparative judgmental evaluations to be made on various criteria (in addition to cost) for award of the contract.

B. Pricing

No charge will be allowed for those federal, state or local sales and excise taxes where the Board is exempt by state and Federal law. A tax exemption certificate will be furnished by the Board to the successful offeror upon request.

The Board will factor any rebates offered for total dollar volume or quantities ordered over the performance period of this contract in the award of this proposal.

In the event the offeror wishes to provide additional services above and beyond the stated requirements of this proposal at "no cost" to the Board, these services should be identified and included in the proposal response.

C. Shipping, Delivery, Terms of Payment & Invoicing

All orders shall be shipped F.O.B. Destination to the designated site after receipt of the purchase order. Since the successful offeror(s) will be responsible for all freight expenses, the selection of carrier shall be determined by the offeror.

Offerors shall guarantee delivery of supplies and services in accordance with such delivery schedule as may be provided in the specifications. The Board’s Purchasing Director reserves the right to charge the vendor for each day the supplies or services are not delivered in accordance with the delivery schedule. The per diem charge may be invoked at the discretion of the Board’s Purchasing Director and said sum to be taken as liquidated damages and deducted from the final payment, or charged back to the vendor.

The successful offeror agrees to reference the following on all shipping documents and invoices:

1.) Purchase Order Number
2.) RFP Number 18-16
3.) Serial Number (as applicable)
4.) Part Number/Description/Name/Quantity Ordered
5.) Quantity Ordered
6.) Quantity Shipped
7.) Site Destination

Failure to ship order in its entirety will prevent payment of your invoices. Per Board policy, backorders will not be accepted. Accordingly, successful offeror(s) should not invoice until one shipment has been made for all items on order.

All invoices should be mailed to:

Savannah-Chatham Co. Board of Public Education
Attention: ACCOUNTS PAYABLE
208 Bull Street, Room 119
Savannah, GA 31401

Terms of payment will be 2% 10 Net 40 Days.
D. General Specifications/Scope of Work

Specifications/Scope of Work for items/services to be purchased are detailed in the attached Specifications Sheet "Attachment A" following Section III.

When reference is made in the specifications to manufacturer or brand name, such references are made solely to designate minimum acceptable levels of quality and do not indicate a preference.

In the event an offeror is proposing another manufacturer and/or model number other than stated in the specification, the offeror must provide complete technical information, specifications, manufacturer's name, model number and a complete list of deviations from stated specifications. The burden of proof for documenting equivalency rests with the offeror. All determinations of the acceptability of an equal or alternate material or equipment shall rest with the Board staff and their decision shall be final.

Proposals on equipment must be on standard, new equipment of the latest model and in current production, unless otherwise specified. Used, reconditioned or refurbished equipment is not acceptable unless otherwise specified.

All regularly manufactured stock electrical items must bear the label of the Underwriters Laboratories, Inc.

Any obvious error or omission in specifications shall not inure to the benefit of the offeror but shall put the offeror on notice to inquire of or identify the same from the Board.

E. Discontinuation of Equipment

In the event items requested are discontinued by the manufacturer, offeror shall substitute an equivalent replacement item from the same manufacturer at equal or lower pricing. Offeror shall advise of any anticipated discontinuations. Proposed replacement equipment must be submitted for review and approval prior to completion of any substitution.

F. Submittal of Objections

Objections from offerors to this Request for Proposal and/or these specifications should be brought to the attention of the Board, Director of Purchasing. The offeror should submit any objections in writing not less than (5) days prior to the opening of the proposal. The objections contemplated may pertain to form and/or substance of the RFP documents and specifications. Failure to object in accordance with this procedure will constitute a waiver on the part of the offeror to protest this Request for Proposal.

G. RFP Interpretations/Addenda

If any questions should arise pertaining to the RFP documents, the offeror may mail or fax a written request for interpretation to:

Savannah-Chatham Board of Public Education  
Attn.: Sabrina L. Scales, Purchasing Director  
208 Bull Street, Room 213  
Savannah, GA 31401  
Fax No.: (912) 201-7648

Any interpretation of documents shall be made by addenda to the RFP. Copy of such addenda will mailed or faxed to each offeror receiving a set of documents. All requests for interpretation must be submitted on or before the close of business, Friday, August 11, 2017. The Board shall not be responsible for any other explanation of questions submitted after this date. The Board shall mail, fax, or contact offeror for pickup of any addenda before the seventy-two (72) hours prior to the date and time set for opening proposals. All addenda issued against this project will be posted to the District's website.

Any addenda issued during the time of the RFP shall be covered in submitted proposals, and in closing the contract shall become a part thereof.

H. Failure to Respond

If a proposal is not to be submitted but the offeror wishes to remain on the Board's list of offerors, please complete and return the Certification Form and the No Bid Statement Form included in this package. Offerors are to clearly mark the outside of your envelope with "No Response".
I. Receipt & Registration of Proposals

Proposals and modifications shall be time-stamped upon receipt. Proposals shall not be opened publicly but shall be opened in the presence of two or more Purchasing officials. Proposals and modifications shall be shown only to Board personnel having a legitimate interest. Only after award of the contract shall proposals be open to public inspection.

J. Errors in Proposals

Offerors or their authorized representatives are expected to fully inform themselves as to conditions, requirements, and specifications before submitting proposals. Failure to do so will be at the offeror's own risk. The offeror may withdraw a proposal prior to the proposal opening date and time by requesting to do so in writing.

K. Standards of Acceptance of Proposal for Contract Award

The Board reserves the right to reject any and all proposals and to waive any irregularities or technicalities in proposals received whenever such rejection or waiver is in the best interest of the Board. The Board has the right to disqualify a proposal of any offeror as being unresponsive when such offeror cannot document its ability to deliver requested services or when investigation show it is not in a position to perform the contract.

L. Compliance With Laws

The offeror shall obtain and maintain all licenses, permits, liability insurance, workman's compensation insurance and comply with any and all other standards or regulations required by Federal, State, or County statutes, ordinances and rules during the performance of any contract between the Board and the offeror. Any such requirement specifically set forth in any contract document between the offeror and the Board shall be supplementary to this section and not in substitution thereof.

M. Indemnity Provisions

Where offeror is required to enter or go onto property to provide services or gather information, the offeror shall be liable for any injury (including death), damage or loss occasioned by negligence of the offeror, his agent, or any person the offeror has designated to visit Board property and shall indemnify and hold harmless the Board, its officers, employees, agents and volunteers from any liability arising therefrom. Offerors should not include an indemnity or hold harmless agreement from the Board in any proposal. The Board will not be bound by any such agreement. Board Policy DJE provides in part: No contract, provision, agreement or term of any procurement, contract or agreement with the Board shall obligate the Board or System to indemnify, save or hold harmless any vendor for any future claim, loss, expense or liability.

N. Cancellation/Default of Contract

In the event the successful offeror, through any cause, should fail to fulfill the agreed upon obligations in an effective and timely manner, the Board shall have the right to terminate its contract by specifying the date of termination in a written notice to the selected vendor. The cancellation shall become effective on the date as specified in the notice of cancellation sent to the contractor. The Board also reserves the right to procure the articles or services from other sources and hold the defaulting vendor responsible for any excess cost incurred.

O. Certification of Independent Price Determination

By submission of this proposal, the offeror certifies, and in the case of a joint proposal each party thereto certifies as to its own organization, that in connection with this Request for Proposal:

1. The pricing structure in this proposal has been arrived at independently, without consultation, communication, or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other offeror or with any competitor;

2. The pricing structure which has been quoted in this proposal has not been knowingly disclosed by the offeror and will not knowingly be disclosed by the offeror prior to opening, directly or indirectly to any other offeror or to any competitor; and

3. No attempt has been made or will be made by the offeror to induce any other person or firm to submit or not to submit a proposal for the purpose of restricting competition.
P. Local and/or Minority/Women Business Enterprise (LMWBE)

It is the policy of the Board of Education to maximize the utilization of qualified local, minority, and women owned business enterprises ("LMWBEs") who provide professional services or who serve as prime contractors, subcontractors or suppliers as a part of the District's facilities construction, maintenance and repair programs. Prime contractors on district construction projects shall make and document good faith efforts to maximize the utilization of qualified LMWBEs as subcontractors and suppliers and provide proof of such efforts and contracts with and payments made to LMWBEs upon request. The Board also promotes capacity building within the local construction community and encourages the use of partnerships, teaming and mentorships to provide LMWBEs with relevant and necessary experiences to grow their business.

For the purposes of this policy, good faith efforts may include, but not be limited to, the following:

- Attend pre-solicitation meetings to inform LMWBEs of subcontracting opportunities.
- Advertise in general circulation media, trade association publications, and minority and women business enterprise media to provide notice of subcontracting opportunities.
- Communicate with the City of Savannah's Office of Economic Development to identify available and qualified LMWBE firms.
- Review the District's list of vendors indicating an interest in providing services to the District.
- Select portions of work for subcontracting in areas with established availability of LMWBE subcontractors.
- Solicit and negotiate with available and qualified LMWBEs for specific subcontracting opportunities.
- Assign substantive work to LMWBEs or LMWBE teaming partners.

For the purposes of this policy, a local business enterprise is defined as (1) having established a regular, physical place of business other than a job site office with at least one employee within the geographical boundaries of the Savannah, Georgia Metropolitan Statistical Area (MSA) prior to the closing date on the solicitation (a post office box address will not satisfy this requirement); (2) having a current Business Tax Certificate and other licenses, certificates, or permits required by law to operate a business in that location; and (3) performing a commercially useful function within the local office.

For the purposes of this policy, a Minority Business Enterprise is an independent, continuing venture that is at least 51% owned by a minority person or persons that meets the criteria for a Disadvantaged Business. A Disadvantaged Business is a small business which is owned, controlled and managed on a daily basis by a majority or persons, not limited to members of minority groups, who have been deprived of the opportunity to develop and maintain a competitive position in the economy because of social disadvantage. This includes:

1. African American: A person with origins in any of the Black racial groups of Africa;
2. Hispanic American: A person with origins from Mexico, South America, Central America or the Caribbean Basin, regardless of race; and
3. Asian American: A person with origins from the Indian subcontinent, countries of the Asian Pacific region, and surrounding countries; and

For the purposes of this policy, a Women Business Enterprise is an independent, continuing venture that is at least 51% owned by one or more women. To qualify as an LMWBE, the owner must be a citizen or lawful permanent resident of the United States, be involved in daily business operations, and provide a commercially useful function. The ownership interest must be real and continuous and not created solely to meet the local/minority/women business or local/minority/women contractor good faith efforts.

SCCPSS shall, through their program management and construction management providers, engage in efforts to communicate opportunities afforded by the District's facilities construction, maintenance and repair programs to LMWBEs, including but not limited to:

- Communicate opportunities associated with SCCPSS facilities construction, maintenance and repair programs to the citizens of Chatham County.
- Work with other local governments and relevant community organizations to provide technical assistance and guidance to LMWBEs;
- Develop strategies to assist prime contractors in maximizing their utilization of LMWBEs;
- Develop and provide informational sessions to educate LMWBEs in the requirements of the District's procurement process;
- Provide notices as outlined above and maintain a list of vendors who have provided or are interested in providing services to the SCCPSS, as outlined above.
SCCPSS may, from time to time, audit vendor contracts with and payments to LWMBE contractors and subcontractors and may require that proof of such contracts and payments be provided to the SCCPSS.

R.  Qualification of Offeror

A responsible offeror is defined as one who meets, or by the date of the proposal acceptance can meet, all requirements for licensing, insurance, and service contained within this Request for Proposal. The Board has the right to require any or all offerors to submit documentation of the ability to perform, provide, or carry out the service requested.

S.  Proposal Discussion with Individual Offerors

Discussion may be held with offerors submitting proposals acceptable or potentially acceptable. The purpose of the discussions are to:

1. Promote understanding of the Board’s requirements and the offeror’s proposals; and

2. Facilitate arriving at a contract most advantageous to the Board taking into consideration price and other evaluation factors set forth in the RFP.

T.  Compliance with Specification/Terms and Conditions

The Request for Proposal, Legal Advertisement, General Terms and Conditions, Proposal Submittal Instructions, Special Terms and Conditions, Specifications, Attachments, Vendor’s Response, any addenda, and/or any other pertinent documents form a part of the offeror’s proposal and by reference are made a part hereof.

U.  Award of Contract

The contract, if awarded, will be awarded by means of a two-step process as described in Attachment “A” Specifications.

Product quality, service issues and other factors stipulated above in Condition “O” must be met to the satisfaction of the Board for a proposal to be considered responsive. Moreover, the Board will award the contract to the next most qualified offeror if the selected offeror is unable to execute a contract and provide delivery within the time parameters specified in this RFP.

In the case of a tie of more than three offerors at the conclusion of the first step, the top three offerors will be determined by the following criteria:

1. Savannah-Chatham County LWMBE  
2. Savannah-Chatham County Vendor  
3. Metropolitan Statistical Area Vendor

At its option, the Board may take either of the following actions in order to form an agreement between the Board and the selected offeror:

1. Accept a proposal by issuing a written "Notice of Award" to the selected offeror, which incorporates the proposal documents by reference and accepts all or selected portions of the offeror's proposal. This "Notice of Award" will represent a contractual obligation, and will be executed by both the Board and the selected offeror.

2. Enter into negotiations in an effort to reach a mutually satisfactory agreement entitled "Memorandum of Agreement for External Grant Evaluator (Annual Contract)", which represents a contractual obligation and will be executed by both the Board and the selected offeror. This agreement will be based on proposal documents, the submitted proposal and the associated negotiations.

V. Vendor Performance

The successful offeror(s) will be evaluated by the Board over the duration of the contract period. Performance will be documented. Poor performance may result in the vendor being disqualified on future proposals.

W. Signed Proposal Considered Offer

The signed proposal shall be considered an offer on the part of the offeror, and shall be deemed accepted upon approval by the Board. In case of a default on the part of the offeror after such acceptance, the Board may take such action as it deems appropriate, including legal action for damages or lack of required performance.

X. Public Information

It is the policy of the Board that at the conclusion of the selection process, the contents of all proposals will be placed in the public domain and be open to inspection by interested parties. Trade secrets or proprietary information that are recognized as such and are protected by law may be withheld, if clearly identified as such in the proposal.
