2. City of Savannah Entrepreneurial Center 801 East Gwinnett Street, Savannah, GA 31404.

Bidders are cautioned that acquisition of Bidding Documents through any source other than Clayton Digital Reprographics, Inc. is not advisable. Acquisition of Bidding Documents from unauthorized sources places the bidder at risk of receiving incomplete or inaccurate information upon which to base a bid.

A Mandatory Pre-Bid Conference will be conducted at 2:30 P.M. on Wednesday, October 14, 2015, at Islands High School, located at 170 Whitemarsh Island Road, Savannah, Georgia, 31410. Bidders will meet at the front entrance of the facility. An accompanied site visitation will follow.

A "Cone of Silence" is imposed upon this invitation to bid after advertising, and terminates at the time the Board of Education awards a contract. The Cone of Silence prohibits any communications by written, oral, or electronic form by, or on behalf of, a prospective bidder for this solicitation, including any persons affiliated with or in any way related to a prospective bidder, and any member of the Board of Education, the superintendent or his staff, any persons involved in evaluating the bid, program managers, or members of any selection committee. The Cone of Silence is intended to prohibit lobbying for, or against, a particular vendor or vendors and to prevent prospective bidders from circumventing the process for selection set forth in this invitation to bid.

The Cone of Silence does not apply to oral communications with the Director of Purchasing, or the Director of Purchasing's designees, at pre-proposal conferences, site visits (as applicable), presentations before selection committees, or contract negotiations with bidders selected for award. Written communications expressly authorized by this solicitation, such as (1) the submission of the bid packet itself, (2) requests for interpretation, requests for material substitutions, protests, or similar inquiries to the purchasing department, (3) documents circulated at oral presentations before selection committees, or (4) documents circulated in connection with contract negotiations with the bidder(s) selected for award are also permitted in communication with the Director of Purchasing or the Director of Purchasing's designees. The Cone of Silence does not apply to presentations allowed by Board policy or to the Board of Education at a duly called public meeting.

In addition to any other penalties provided by law, violation of the Cone of Silence by any prospective bidder may result in the rejection of the prospective bidder's bid response and disqualify the prospective bidder from being awarded any contract as a result of this solicitation. Any person having personal knowledge of a violation of these provisions shall immediately report such violations to the District's Purchasing Department.

The Contract, if awarded, will be on a total lump sum bid basis. Bidders are required to provide their unit price bid schedule for the total lump sum bid on the form contained herein. No bid may be withdrawn for a period of sixty days after time has been called on the date of opening except in accordance with the provisions of Georgia law. If bid exceeds $100,000, the Bid must be accompanied by a Bid Bond made payable to the District in an amount equal to not less than five percent (5%) of the Bid. If bid exceeds $100,000, the successful Contractor will be required to provide both a Performance Bond and a Payment Bond, each in an amount equal to 100 percent of the total Contract amount within 14 days receipt of the District's Intent to Award and prior to execution of contract.
The District reserves the right to reject all bids or proposals or any bid or proposal that is nonresponsive or not responsible and to waive technicalities and informalities. The District reserves the right to not award a contract to any bidder, to cancel this invitation to bid, and re-advertise the project using a similar or different competitive process at any time before the Board of Education votes to award a contract as a result of this invitation to bid.

The District has the right to disqualify any bidder from consideration when such bidder cannot demonstrate its ability to deliver requested services or when investigation shows that it is not in a position to perform the solicited services in a manner that is in the best interest of the District.

The District assumes no responsibility or obligation to the bidders and will make no payment for any costs associated with the preparation or submission of any documents related to this invitation to bid, even the invitation to bid is cancelled or a bidder is disqualified.

The District anticipates that the contract will be awarded to the responsive and responsible bidder who provides the lowest bid within the budget. In judging whether the bidder is responsible, the District will consider, but is not limited to, the following:

- Whether the bidder or its principals are currently ineligible, debarred, suspended, or otherwise excluded from bidding or contracting by any state or federal agency, department, or authority;
- Whether the bidder or its principals have been terminated for cause or are currently in default on a public works contract;
- Whether the bidder can demonstrate sufficient cash flow to undertake the project as evidenced by a Current Ratio of 1.0 or higher;
- Whether the bidder can demonstrate a commitment to safety with regard to Workers' Compensation by having an Experience Modification Rate (EMR) over the past three years not having exceeded an average of 1.2; and
- Whether the bidder's past work provides evidence of an ability to successfully complete public works projects within the established time, quality, or cost, or to comply with the bidder's contract obligations.

In the event all responsive and responsible bids are in excess of the budget, the District, in its sole and absolute discretion and in addition to rejecting all bids, reserves the right either to supplement the budget or to negotiate with the lowest responsive and responsible bidder (after all deductive alternates are taken in the order defined in the Instructions to Bidders) but only for the purpose of making changes to the project that will result in a cost to the District that is within the budget, as it may be supplemented.

BID REQUIREMENTS

INSTRUCTIONS TO BIDDERS

1. Basis of Contract: Contract, if awarded, will be on a total bid on unit price schedule and will be substantially in accordance with the Contract shown on pages Contract – 1 through Contract – 3.

2. Examination of Site: In undertaking the work under this Contract, the Contractor acknowledges that he has visited the Project Site and has taken into consideration all observed conditions that might affect his work. The project site is property of the District. No easements or rights-of-way are required on the site. The Design Professional shall file for all applicable Permits prior to award of the Contract. The Contractor shall be responsible to obtain all applicable Permits from the Jurisdiction prior to commencing work governed by Permit.

3. Surety and Insurance Companies: The Contract provides that the surety and insurance companies must be acceptable to the District. At the time of issuance, all insurance and bonds must be issued by a company licensed by the Georgia Insurance Commissioner to transact the business of insurance in the State of Georgia for the applicable line of insurance. Such company shall be an insurer (or, for qualified self-insurers or group self-insured, a specific excess insurer providing statutory limits) with an A.M. Best Financial Strength Rating of "A-" or better and with an A.M. Best Financial Size Category of Class V or larger.

4. Bidding Documents: The Bidding Documents comprise the Construction Documents, the Invitation to Bid, the Instructions to Bidders, the Bid Form, and all Addenda, upon which the bidder submits a bid.

5. Addenda: All Addenda issued prior to bid date adjust, modify, or change the drawings and specifications as set forth in the Addenda. All such Addenda are part of the contract. No addenda will be issued within seventy-two (72) hours of the date and time set for opening bids without an extension of the bid date as required by Law. All such Addenda are part of the contract.

6. Submittal of Objections: Objections from bidders to this Invitation to Bid and/or these specifications should be brought to the attention of the Board through the Director of Purchasing. The bidder should submit any objections in writing not less than five (5) days prior to the opening of the bid. The objections contemplated may pertain to form and/or substance of the Bid documents and specifications. Failure to object in accordance with this procedure will constitute a waiver on the part of the bidder to protest this Invitation to Bid.

7. Protest: Any bidder(s) who wishes to protest the handling or fairness of a solicitation shall express his/her concerns in writing to the Director of Purchasing within five business days of the matter being protested. The letter of protest shall be taken under consideration by the Chief Financial Officer and the Superintendent and the protesting bidder(s) shall be notified within ten (10) business days of the result of such consideration.

The protest notice shall include the following:
the name, address, and telephone number of the protester
the signature of the protester or an authorized representative of the protester
identification of the purchasing agency and the solicitation or contract number
da detailed statement of the legal and factual grounds of the protest including copies of relevant documents
the form of relief requested

8. Interpretations: No oral interpretation will be made to bidders as to the meaning of the drawings and specifications. Requests for interpretation of drawings and specifications must be made in writing to the District Purchasing Department not later than 5:00 P.M., October 16, 2015. Failure on the part of the successful bidder to request clarification shall not relieve him as Contractor of the obligation to execute such work in accordance with a later interpretation by the Design Professional. All interpretations made to bidders will be issued in an Addendum to the plans and specifications will be sent to all plan holders of record. Acknowledgement of receipt of such Addendum shall be listed in the Bid Form by the Contractor.

If any questions should arise pertaining to the bid documents, the Bidder may mail or fax (no e-mails accepted) a written Request for Interpretation to:

Savannah-Chatham County Public School System
Attention: Margaret Disher, CPPB, Purchasing Agent
208 Bull Street, Room 213
Savannah, GA 31401
(Fax) 912-201-7648

9. Alternates: Unless otherwise stipulated, all alternate bids are deductive. It is in the best interest of the public and the intent of the District that the entire Project be constructed within the funds allocated in the Project budget. The acceptance of any deductive alternate will be utilized as a last resort to accomplish the Project without requiring a redesign and rebidding of the Project. Any alternate, or alternates, if taken, will be taken in numerical sequence to the extent necessary to bring the Project within budget.

10. Sales Tax: Unless otherwise provided for in the Contract Documents, the Contractor shall include in his bid all sales taxes, consumer taxes, use taxes, and all other applicable taxes that are legally in effect at the time bids are received. Contractor shall not include sales tax on District supplied items. If sales tax is required to be paid by Contractor on District furnished items, a Change Order to Contractor shall be issued by District.

11. Trade Names, Specifications:

(a) No Restriction of Competition: When reference is made in the Contract Documents to trade names, brand names, or to the names of manufacturers, such references are made solely to indicate that products of that description may be furnished and are not intended to restrict competitive bidding. If it desired to use products of trade or brand names or of manufacturers' names that are different from those mentioned in the Bidding Documents, application for the approval of the use of such products must reach the hands of the Design Professional at least ten (10) days prior to the date set for the opening of the bids (see Section 11(b) below). This provision applies only to the party making a submittal prior to bid. If approved by Design Professional, the Design Professional will issue an addendum to all bidders. This provision does not prevent the District from initiating the addition of trade names, brand names, or names of manufacturers by addendum prior to bid.

(b) Request for Approval of Substitute Product: All requests for approval of substitution of a product that is not listed in the Bidding Documents must be made to the Design Professional in writing. For the Design Professional to prepare an addendum properly, an application for approval of a substitute product must be accompanied by a copy of the published recommendations of the manufacturer for the installation of the product together with a complete schedule of changes in the drawings and specifications, if any, that must be made in other work in order to permit the use and installation of the proposed product in accordance with the recommendations of the manufacturer of the product. The application to the Design Professional for approval of a proposed substitute product must be accompanied by a schedule setting forth in which respects the materials or equipment submitted for consideration differ from the materials or equipment designated in the Bidding Documents and submitted to the Purchasing Department.

All requests for material substitution must be submitted to the Attention of the Purchasing Director prior to the 5:00 pm October 16, 2015 deadline. Requests must include full illustrations and detailed specifications for the item being offered as an alternate or approved equal. Bidders are not permitted to contact the Design Professional directly. The only official view of the District is that which is issued by and provided to all Bidders of record by the Purchasing Department in the form of a written addendum.

(c) Burden of Proof: The burden of proving acceptability of a proposed product rests on the party making the submission. Therefore, the application for approval must be accompanied by technical data that the party requesting approval desires to submit in support of its application. The Design Professional will consider reports from reputable independent testing laboratories verified experience records showing the reputation of the proposed product with previous users, evidence of reputation of the manufacturer for prompt delivery, evidence of reputation of the manufacturer for efficiency in servicing its products or any other written information that is helpful in the circumstances. The degree of proof required for approval of a proposed product as acceptable for
use in place of a named product or named products is that amount of proof necessary to convince a reasonable person beyond all doubt. To be approved, a proposed product must also meet or exceed all express requirements of the Contract Documents.

(d) Issuance of Addenda: If the Design Professional approves the submittal, an addendum will be issued to all prospective bidders indicating the approval of the additional product(s). Issuance of an addendum is a representation to all bidders that the Design Professional in the exercise of his professional discretion established that the product submitted for approval is acceptable and meets or exceeds all express requirements. If a submittal is initially rejected by the Design Professional, but determined to be acceptable to Design Professional after a conference with the District, an addendum covering the said submittal will be issued prior to the opening of bids. The successful bidder may furnish products of any trade names, brand names, or manufacturers’ names except those designated in the Contract Documents unless approvals have been published by addendum in accordance with the above procedure. Oral approvals of products are not valid.

(e) Conference with the District: Any party who alleges that rejection of a submittal is the result of bias, prejudice, caprice, or error on the part of the Design Professional may request a conference with a representative of the District, provided: that the request for said conference, submitted in writing, shall have reached the District at least six (6) days prior to the date set for the opening of bids, time being of the essence.

12. Bids:

(a) Bid Opening: Bids will be opened and announced as stated in the Invitation to Bid.

(b) Bid Submission. All bids must be submitted on the Bid Form as attached hereto and must be signed, notarized, and sealed by a notary public. All blanks for information entry in bid forms submitted to District should be filled in. Blank left unfilled constitute irregularities in the bid and place the bidder at risk of having the bid rejected unless the District rules the irregularity to be an informality or technicality that can be waived, as is made clear in Article 15 of the "Instructions to Bidders" and on the Bid Form. Numbers shall be written in English words and in Arabic numerals. The inclusion of any condition, alternate, qualification, limitation, or provision not called for shall render the bid nonresponsive and shall be sufficient cause for rejection of a bid.

(c) Bid Security: Bids must be accompanied by a Bid Bond made payable to the District in an amount not less than five percent (5%) of the Bid. Bid Bonds should be furnished on forms accepted as standard by the insurance industry, but shall be substantially in accordance with the Bid Security Form attached hereto.

(d) Delivery of Bids: Bids are to be addressed to the District, at the address and room number shown in the Invitation to Bid. Bids must be enclosed in an opaque, sealed envelope; marked with the Bid Date, Bid Time, Bid Number, Name of Project; and the Bidders Company name and address. Bids must be placed in the hands of the District at the specified location by not later than the time and date named in the Invitation to Bid. After that time, no bids may be received.

(e) Alternates: If alternatives are called for, a bid must be submitted for all alternates. Failure to do so may render the bid nonresponsive and be sufficient cause for rejection of a bid.

(f) Withdrawal of Bids: Bids may be withdrawn by bidders prior to the time set for official opening. After time has been called, no bid may be withdrawn for a period of sixty days after the time and date of opening except as provided in O.C.G.A Title 36 Chapter 91 (appreciable error in calculation of bid). Negligence or error on the part of any bidder in preparing his bid confers no right of withdrawal or modification of his bid after time has been called except as provided by Georgia law.

(g) Errors or Revisions: Prior to the bid opening date and hour, errors may be stricken or revisions may be made and corrections entered on the bid proposal form with sufficient clarity to be easily understood. All such annotations shall be made by authorized representative of the bidder and identified as such. These annotations shall be binding on the bidder. No revisions will be allowed or accepted on the outside of the envelopes.

13. Contract Award: Award shall be made on a total bid on unit price schedule basis to the lowest responsive and responsible bidder. The lowest bid will be the bid whose price, after incorporating all accepted alternates, is the lowest responsive bid that was received from a responsible bidder. No bid may be withdrawn for a period of sixty days after time has been called on the date of opening except in accordance with the provisions of law.

14. District’s Rights Concerning Award: The District reserves the right to reject all bids or proposals or any bid or proposal that is nonresponsive or not responsible and to waive technicalities and informalities. The District reserves the right to not award a contract to any bidder, to cancel this invitation to bid, and re-advertise the project using a similar or different competitive process at any time before the Board of Education votes to award a contract as a result of this invitation to bid.

In judging whether the bidder is responsible, the District will consider, but is not limited to consideration of, the following:

(a) Whether the bidder or its principals are currently ineligible, debarred, suspended, or otherwise excluded from bidding or contracting by any state or federal agency, department, or authority;

(b) Whether the bidder or its principals have been terminated for cause or are currently in default on a public works contract;
(c) Whether the bidder can demonstrate sufficient cash flow to undertake the project as evidenced by a Current Ratio of 1.0 or higher;

(d) Whether the bidder can demonstrate a commitment to safety with regard to Workers’ Compensation by having an Experience Modification Rate (EMR) over the past three years not having exceeded an average of 1.2; and

(e) Whether the bidder’s past work provides evidence of an ability to successfully complete public works projects within the established time, quality, or cost, or to comply with the bidder’s contract obligations.

15. District’s Right to Negotiate with the Lowest Bidder (O.C.G.A. § 36-91-21): In the event all responsive and responsible bids are in excess of the budget, the District, in its sole and absolute discretion and in addition to the rights set forth above, reserves the right either to (i) supplement the budget with additional funds to permit award to the lowest responsive and responsible bid, or (ii) to negotiate with the lowest responsive and responsible bidder (after taking all deductive alternates) only for the purpose of making changes to the Project that will result in a cost to the District that is within the budget, as it may be amended. Negotiation may include changes in the scope of work and other bid requirements.

16. Development of Local and Minority/Woman Business Enterprises: It is the policy of the Board of Education to maximize the utilization of qualified local, minority, and women owned business enterprises (“LMWBEs”) who provide professional services or who serve as prime contractors, subcontractors or suppliers as a part of the District’s facilities construction, maintenance and repair programs. The Board expects that prime contractors on district construction projects will make and document good-faith efforts to maximize the utilization of qualified LMWBE’s as subcontractors and suppliers for District Projects. The Board encourages all members of the local construction community, regardless of ownership or size, to work together on District projects so that all can grow their businesses for the benefit of the Savannah-Chatham community. This solicitation is subject to Board policy FG and regulations thereunder.

Bidder shall take all reasonable steps in accordance with this solicitation to insure that local and disadvantaged enterprises have that maximum opportunity to participate in the resulting contract. No Bidder shall discriminate on the basis of race, color, national origin or sex in the award or performance of any subcontracts or purchase orders resulting from or relating to this solicitation. Moreover, the Bidder shall make good faith efforts to select contractors, service providers, vendors, and suppliers from local and disadvantaged enterprises.

The Bidder must demonstrate a good faith effort to provide opportunity for local and LMWBEs, in part by providing as a part of its Statement of Qualifications the forms provided in this BID, which shall be completed in a manner sufficient to provide documentation of such good faith efforts. Those forms pertaining to development of local and disadvantaged enterprises include:

- Local and/or Minority/Woman Business Enterprise Development Information (Form 2)
- Local and MWBE Good Faith Efforts Requirements (Form 3)
- Local and MWBE Development Documentation (Form 4)

Good faith efforts should include, but not be limited to, the following:

- Attend pre-solicitation meetings to inform LMWBEs of subcontracting opportunities.
- Advertise in general circulation media, trade association publications, and minority and women business enterprise media to provide notice of subcontracting opportunities.
- Communicate with the City of Savannah’s Office of Economic Development to identify available and qualified LMWBE firms.
- Select portions of work for subcontracting in areas with established availability of LMWBE subcontractors.
- Solicit and negotiate with available and qualified LMWBEs for specific subcontracting opportunities.

A local business enterprise is defined as (1) having established a regular, physical place of business other than a job site office with at least one employee within the geographical boundaries of the Savannah Georgia Metropolitan Statistical Area (MSA) prior to the closing date on the solicitation (a post office box address will not satisfy this requirement); (2) having a current Business Tax Certificate and other licenses, certificates, or permits required by law to operate a business in that location; and (3) performing a commercially useful function within the local office.

A Minority Business Enterprise is an independent, continuing venture that is at least 51% owned by a minority person or persons that meets the criteria for a Disadvantaged Business. A Disadvantaged Business is a small business which is owned, controlled and managed on a daily basis by a majority of persons, not limited to members of minority groups, who have been deprived of the opportunity to develop and maintain a competitive position in the economy because of social disadvantage. This includes:

1. African American: A person having origins in any of the Black racial groups of Africa;
2. Hispanic American: A person of Spanish culture with origins in Mexico, South America, Central America or the Caribbean, regardless of race.

A Women Business Enterprise is an independent, continuing venture that is at least 51% owned by one or more women. To qualify as an LMWBE, the owner must be a citizen or lawful permanent resident of the United States, be involved in daily business operations, and provide a commercially useful function. The ownership interest must be real and continuous and not created solely to meet the local/minority/women business or local/minority/women contractor good faith efforts.
