CONE OF SILENCE REQUIREMENTS:

A “Cone of Silence” is imposed upon this Request for Qualifications (RFQ) after advertising, and terminates at the time the Board of Education awards a contract. The Cone of Silence prohibits any communications by written, oral, or electronic form by, or on behalf of, a prospective offeror for this solicitation, including any persons affiliated with or in any way related to a prospective offeror, and any member of the Board of Education, the superintendent or his staff, any persons involved in evaluating the statements for qualifications (proposals), program managers, or members of any selection committee. The Cone of Silence is intended to prohibit lobbying for, or against, a particular vendor or vendors and to prevent prospective offerors from circumventing the process for selection set forth in this RFQ.

The Cone of Silence does not apply to oral communications with the Director of Purchasing, or the Director of Purchasing’s designees, at pre-proposal conferences, site visits (as applicable), presentations before selection committees, or contract negotiations with offerors selected for award. Written communications expressly authorized by this solicitation, such as (1) the submission of the statement of qualifications packet itself, (2) requests for interpretation, requests for material substitutions, protests, or similar inquiries to the purchasing department, (3) documents circulated at oral presentations before selection committees, or (4) documents circulated in connection with contract negotiations with the bidder(s) selected for award are also permitted in communication with the Director of Purchasing or the Director of Purchasing’s designees. The Cone of Silence does not apply to presentations allowed by Board policy or to the Board of Education at a duly called public meeting.

In addition to any other penalties provided by law, violation of the Cone of Silence by any prospective offeror may result in the rejection of the prospective offeror’s response and disqualify the prospective offeror from being awarded any contract as a result of this solicitation. Any person having personal knowledge of a violation of these provisions shall immediately report such violations to the District’s Purchasing Department.

I. GENERAL / INTRODUCTION

The Board of Public Education for the City of Savannah and the County of Chatham (hereinafter referred to as “the District”) is soliciting competitive sealed Statements of Qualifications for “As needed” Geotechnical, Special Inspections and Material Testing Services (Annual Contract). (“Statement of Qualifications” may herein be abbreviated “Statement” or “Proposal” or “Proposal.” “Architect and Engineer” is commonly abbreviated as “Design Professional” or “A/E.”) Each responding firm (hereinafter each referred to as “the Offeror”) must be authorized to do business in the State of Georgia and experienced in in the planning, design and construction administration of K-12 public schools or educational support facilities. Offerors shall meet the terms and conditions set forth in this document and all attachments.

The competitive sealed Statement of Qualifications process stipulated in this RFQ differs from competitive sealed bidding in two important ways:

- It permits negotiation and discussions with competing Offerors, and
- It allows comparative judgmental evaluations to be made on various criteria in addition to cost, for award of a contract.

The advertising date(s) for Request for Qualifications (RFQ) C16-21 are December 13, 2015 through December 26, 2015 and December 27, 2015 through January 19, 2016.

Statements of Qualifications should be delivered to the District Purchasing Department, 208 Bull Street, Room 213, Savannah, Georgia, 31401.

Statements of Qualifications will be accepted prior to 11:00 A.M. on Tuesday, January 19, 2016. This deadline for Statements of Qualifications will be extended at least 72 hours, excluding Saturdays, Sundays, and legal holidays, if the District issues any addenda modifying the plans or specifications for the project within a period of 72 hours, excluding Saturdays, Sundays or legal holidays, prior to the advertised time for opening the Statements of Qualifications. Under such circumstances, it will not be necessary to re-advertise the RFO. Any addenda released within 72 hours of the advertised time for opening the Statements of Qualifications will be provided to all firms that attend the Pre-Proposal Conference.
A Pre-Proposal Conference will be held on January 7, 2016 at 10:00 A.M., in Room 303 of the Savannah-Chatham County Public School System’s Central Offices Building, located at 208 Bull Street, Savannah, Georgia 31419. Offerors are encouraged to attend.

STANDARD TERMS AND CONDITIONS OF REQUEST FOR QUALIFICATIONS

This Section includes basic minimum standard requirements established by the District for the performance of the “As needed” Geotechnical, Special Inspections and Material Testing Services sought by the District. Additionally, this Section includes the basic minimum requirements established by the District for responding properly to this RFQ; any Statement of Qualifications which does not respond in a manner that meets these requirements will be considered non-responsive, and the Offeror will not be considered for award of a Contract. NOTE that important additional requirements are stipulated in Attachments to this RFQ.

A. Owner Administration of Project

The District is the Owner of the Project. To assist in its administration of the Project, the District may employ a Program Manager (abbreviated “PM”). Certain actions indicated in this RFQ to be performed by the District may instead be performed by the PM, on the behalf of the District. Should at any time the District determine it to be in its best interest to discontinue the services of the PM, thereby assuming administration of the project, all Offerors, or if during the period of performance of services procured by this RFQ, the Design Professional, shall be required to adhere to procedures established by such a change. This stipulation does not seek to describe, establish, or limit administration responsibilities of the Design Professional.

B. Receipt & Registration of Statements of Qualifications

Statements of Qualifications (and any subsequent modifications) will be time-stamped upon receipt. Immediately after the date and time stipulated for receipt of all Statements of Qualifications, all Statements that were delivered in a timely manner will be entered into a register, which will be available for public review. The Statements will not then be publicly opened, and no information contained within the Statements of Qualifications shall be released or discussed. Statements and modifications will be shown only to District personnel having a legitimate interest. Only after Contract(s) are awarded will statements be open to public review.

Statements of Qualifications received after the time and date for submittal stipulated herein this RFQ will be returned to the Offeror unopened. The time of receipt shall be determined by the time stamp in the Purchasing Department. Offerors are responsible for ensuring that their Statement of Qualifications are stamped by Purchasing Department personnel before the deadline indicated. Statements received after the time and date for submittal stipulated herein this RFQ will not be opened, reviewed, or considered.

C. Scope of Services

The Scope of Services to be provided is detailed in Attachment A, “SCOPE OF SERVICES, FORM OF PROPOSAL, SELECTION PROCESS AND FORM OF AGREEMENT” (including exhibits attached thereto).

D. RFQ Clarifications / Addenda

If any questions should arise prior to the date and time indicated below pertaining to the RFQ documents, Offeror may deliver, mail, or fax (no verbal communications or e-mails will be accepted) a written request for clarification or interpretation to:

Savannah-Chatham County Public School System
Attention: Director of Purchasing
208 Bull Street, Room 213
Savannah, GA 31401
Fax No: 912-201-7648
Any clarification interpretation of documents shall be made by Addendum to the RFQ. At least one Addendum will be issued, which will include as a minimum a list of all potential Offerors who signed attendance at the Pre-Proposal Conference. A copy of each Addendum issued will be mailed or faxed to each Offeror receiving a set of RFQ documents. All inquiries to which Offerors wish to see responses included in an Addendum must be submitted on or before 5:00 p.m., on Wednesday, January 8, 2016. The District shall not be responsible for any other explanation of questions submitted after this date. The District shall mail, fax, or contact Offeror for pickup of any Addenda prior to 5:00 p.m., Tuesday, January 12, 2016.

The Offeror must acknowledge receipt of all Addenda on the Certification Form (Form 1). Failure by the Offeror to acknowledge each and every Addendum on the Certification Form will render the Offeror’s Statement of Qualifications non-responsive.

E. Pricing

In the event the Offeror wishes to provide additional services above and beyond the stated requirements of this RFQ at “no cost” to the District, these services should be identified and included in the RFQ response. Pricing information is not to be included as a part of the Statement of Qualifications. The District has established a Compensation Schedule for Architectural and Engineering Services (Board Policy FGC-E(2)), based on the Stated Cost Limitation (SCL) of the project. The District reserves the right to negotiate an appropriate fee for any project. Fees shall not exceed amounts approved by the State Board of Education for capital outlay projects.

F. Signed Statements of Qualifications Considered Offer

The signed Statement (Proposal) shall be considered an offer on the part of the Offeror, and shall be deemed accepted if the Board of Education votes to accept it following a recommendation of the Purchasing Department and the Superintendent as outlined herein. In case of a default on the part of the Offeror after such acceptance, the District may take such action as it deems appropriate, including legal action for damages or lack of required performance.

G. Non-Response by Prospective Offerors

If a Statement of Qualifications is not to be submitted, but Offeror wishes to remain on the District’s list of potential providers, Offeror should complete and return the Certification Form (Form 1) and the Local and/or Minority / Women Business Enterprise Development Information document (Form 2) found in this packet marked “No Response”.

H. Compliance with Specification / Terms and Conditions

The Request for Qualifications, Legal Advertisement, General Terms and Conditions, RFQ Submittal Instructions, Special Terms and Conditions, Specifications, Attachments, Offeror’s Response, any Addenda, and/or any other pertinent documents form a part of the Offeror’s Statement of Qualifications and by reference are made a part hereof.

All submissions shall be final. Once Statements of Qualifications are submitted, any communication between the Offerors and the District regarding the content of Statements of Qualifications shall take place only at the sole discretion and instigation of the District, and shall occur only in written form.

Verbal clarifications to or discussions regarding any Offeror’s submission will be considered by the District ONLY at specified and scheduled oral presentations, for the purpose of:

J. **Errors in Statements of Qualifications**

Offerors are expected to fully inform themselves as to conditions, requirements, and specifications before submitting Statements. Failure to do so will be at the Offeror's own risk. The Offeror may withdraw a Statement of Qualifications prior to the stipulated submittal deadline by requesting to do so in writing; however, this written request must be presented to the District in a manner that is sufficient to make clear that the Offeror seeking to withdraw a Statement of Qualifications is in fact the Offeror indicated on the **CERTIFICATION FORM** (Form 1) submitted previously as a part of the Statement of Qualifications of which withdrawal is sought.

K. **Public Information**

It is the policy of the District that at the conclusion of the selection process, the contents of all Statement of Qualifications will be placed in the public domain and be open to inspection by interested parties. Trade secrets or proprietary information that are recognized as such and are protected by law may be withheld, but only if clearly listed and identified as such in the Statement. The District shall not be responsible or liable for its failure to protect trade secrets or proprietary information. In the event that no Contract is awarded as the result of this RFQ, all Offerors will be notified. Also, a copy of the current local business license held by the Offeror, from the municipality where it is located, is required.

This RFQ seeks to solicit offers from any legal form of business. If the Offeror is a partnership or joint venture (PJV), a copy of the contractual agreement between the participants in the PJV must be provided as a part of the Statement of Qualifications. The PJV agreement must be adequate to its purpose of establishing a safe and well-structured good faith relationship between the participants, and must comply with all applicable laws, including Antitrust Laws. The District may disqualify from consideration the Offer of any PJV when it determines such disqualification to be in its best interest.

The District WILL NOT enter into an agreement with more than one legal business entity. Additionally, if two or more projects have not been previously undertaken and successfully completed by a PJV Offeror, each party to the PJV responding to this RFQ must submit complete but separate Statements of Qualifications, with each separate

- A precise statement of the relevant facts that include timelines and all involved parties, and
- An identification of the issue(s) that needs to be resolved that support the protest.
The letter of protest shall be taken under consideration by the Chief Financial Officer and the Superintendent, who shall respond to the protesting offeror within ten (10) business days of receipt of the letter of protest. This written decision shall be final and conclusive.

S. **Award of Contract.**

The District reserves the right to reject all Statements of Qualifications (Proposals) or any Statement of Qualification (Proposal) that is nonresponsive or not responsible and to waive technicalities and informalities. The District reserves the right to not award a contract to any Offeror, to cancel this RFQ (RFP), and re-advertise the project using a similar or different competitive process at any time before the Board of Education votes to award the contract as a result of this RFQ (RFP).

The Selection Committee will receive and evaluate all Statements of Qualifications (proposals) submitted in response to this RFQ. Offerors and their proposals that meet the minimum Qualification Requirements of Section 7 of Attachment A, comply with the formatting requirements of Section 8 of Attachment A, and submit satisfactory compliance documents required by Section 9 of Attachment A, will be evaluated using the criteria described in Section 11 of Attachment A to come up with a list of short-listed Offerors reasonably susceptible of being selected for award. All applicants will be notified of whether or not they have been selected for the short-list of Offerors reasonably susceptible of being selected for award.

No specific projects have been identified at this time. Project contracts will be awarded to Offerors on the short-list of Offerors reasonably susceptible of being selected for award on an “as needed” basis. Contracts will be awarded to Offerors on the short-list of Offerors reasonably susceptible of being selected for award on a rotating basis in a manner that is equitable to all firms selected and is in the best interest of the District. The District reserves the right to negotiate or solicit competitive price proposals from one or more of the short-listed firms selected to provide services under this contract or negotiate with the firm that it deems best suited to provide services on a given work order. The District may interview short-listed firms at its discretion for multiple projects or on a project by project basis. Should the District choose to reuse the documents from an existing District project, the District may award a contract to the firm or person who prepared the original documents. In awarding projects, the District may consider an Offeror’s workload at the time a future project is identified and the number of projects that the Offeror may have with the District at one time to help minimize the risk that multiple District projects would be delayed if the consultant is no longer able to perform or the parties decide to terminate their relationship with one another.

If the District begins contract negotiations with one of the short-listed Offerors but a contract satisfactory and advantageous to the District cannot be negotiated at a fee considered fair and reasonable, then the District may terminate negotiations with that Offeror and negotiations will be entered into with another firm on the short-list, and so on, until such a contract can be negotiated at a fair and reasonable fee.

T. **Offeror Performance.**

The successful Offeror(s) will be evaluated by the District over the duration of the contract period. Performance will be documented. Poor performance may result in the Offeror being disqualified on future RFOs.

U. **Cancellation / Default of Contract.**

Cancellation or Default of a contract shall be as prescribed in Attachment A, “Scope of Service, Form of Proposal, Selection Process and Form of Agreement.”

1.0 CONE OF SILENCE:

A “Cone of Silence” is imposed upon this Request for Qualifications (RFQ) after advertising, and terminates at the time the Board of Education awards a contract. The Cone of Silence prohibits any communications by written, oral, or electronic form by, or on behalf of, a prospective offeror for this solicitation, including any persons affiliated with or in any way related to a prospective offeror, and any member of the Board of Education, the superintendent or his staff, any persons involved in evaluating the statements for qualifications (proposals), program managers, or members of any selection committee. 12.0 CONSULTANT SELECTION PROCESS:

The District reserves the right to reject all Statements of Qualifications (Proposals) or any Statement of Qualification (Proposal) that is nonresponsive or not responsible and to waive technicalities and informalities. The District reserves the right not to award a contract to any Offeror, to cancel this RFQ (RFP), and re-advertise the project using a similar or different competitive process at any time before the Board of Education votes to award the contract as a result of this RFQ (RFP).

The Selection Committee will receive and evaluate all Statements of Qualifications (proposals) submitted in response to this RFQ. Offerors and their proposals that meet the minimum Qualification Requirements of Section 7 above, comply with the formatting requirements of Section 8 above, and submit satisfactory compliance documents required by Section 9 above, will be evaluated using the criteria described in Section 11 above to come up with a short-list of Offerors reasonably susceptible of being selected for award. All applicants will be notified of whether or not they have been selected for the short-list of Offerors reasonably susceptible of being selected for award by the Purchasing department.

No specific projects have been identified at this time. Project contracts will be awarded to Offerors on the short-list of Offerors reasonably susceptible of being selected for award on an “as needed” basis. Contracts will be awarded to firms on the short-list of Offerors reasonably susceptible of being selected for award on a rotating basis in a manner that is equitable to all firms selected and is in the best interest of the District. The District reserves the right to negotiate or solicit competitive price proposals from one or more of the short-listed firms selected to provide services under this contract or negotiate with the firm that it deems best suited to provide services on a given work order. The District may interview shortlisted firms at its discretion for multiple projects or on a project by project basis. Should the District choose to reuse the documents from an existing District project, the District may award a contract to the firm or person who prepared the original documents. In awarding projects, the District may consider an Offeror’s workload at the time a future project is identified and the number of projects that the Offeror may have with the District at one time to help minimize the risk that multiple District projects would be delayed if the consultant is no longer able to perform or the parties decide to terminate their relationship with one another.

If the District begins contract negotiations with one of the short-listed offerors but a contract satisfactory and advantageous to the District cannot be negotiated at a fee considered fair and reasonable, then negotiations will be formally terminated and negotiations will be entered into with another firm on the short-list, and so on, until such a contract can be negotiated at a fair and reasonable fee.
