   SCOPE OF SERVICES, FORM OF STATEMENT OF QUALIFICATIONS SELECTION PROCESS AND FORM OF AGREEMENT (including exhibits attached thereto)
CONE OF SILENCE REQUIREMENTS:

A "Cone of Silence" is imposed upon this Request for Qualifications (RFQ) after advertising, and terminates at the time the Board of Education awards a contract. The Cone of Silence prohibits any communications by written, oral, or electronic form by, or on behalf of, a prospective offeror for this solicitation, including any persons affiliated with or in any way related to a prospective offeror, and any member of the Board of Education, the superintendent or his staff, any persons involved in evaluating the statements for qualifications (proposals), program managers, or members of any selection committee. The Cone of Silence is intended to prohibit lobbying for, or against, a particular vendor or vendors and to prevent prospective offerors from circumventing the process for selection set forth in this RFQ.

The Cone of Silence does not apply to oral communications with the Director of Purchasing, or the Director of Purchasing's designees, at pre-proposal conferences, site visits (as applicable), presentations before selection committees, or contract negotiations with offerors selected for award. Written communications expressly authorized by this solicitation, such as (1) the submission of the statement of qualifications packet itself, (2) requests for interpretation, requests for material substitutions, protests, or similar inquiries to the purchasing department, (3) documents circulated at oral presentations before selection committees, or (4) documents circulated in connection with contract negotiations with the bidder(s) selected for award are also permitted in communication with the Director of Purchasing or the Director of Purchasing's designees. The Cone of Silence does not apply to presentations allowed by Board policy or to the Board of Education at a duly called public meeting.

In addition to any other penalties provided by law, violation of the Cone of Silence by any prospective offeror may result in the rejection of the prospective offeror's response and disqualify the prospective offeror from being awarded any contract as a result of this solicitation. Any person having personal knowledge of a violation of these provisions shall immediately report such violations to the District's Purchasing Department.

I. GENERAL / INTRODUCTION

The Board of Public Education for the City of Savannah and the County of Chatham (hereinafter referred to as "the District") is soliciting competitive sealed Statements of Qualifications for "On Call" Architectural and Engineering Services (Annual Contract). ("Statement of Qualifications" may herein be abbreviated "Statement" or "Response" or "Proposal." "Architect and Engineer" is commonly abbreviated as "Design Professional" or "A/E.") Each responding firm (hereinafter each referred to as "the Offeror") must be authorized to do business in the State of Georgia and experienced in the planning, design and construction administration of K-12 public schools or educational support facilities. Offerors shall meet the terms and conditions set forth in this document and all attachments.

The competitive sealed Statement of Qualifications process stipulated in this RFQ differs from competitive sealed bidding in two important ways:

- It permits negotiation and discussions with competing Offerors, and
- It allows comparative judgmental evaluations to be made on various criteria in addition to cost, for award of a contract.

The advertising date(s) for Request for Qualifications (RFQ) C18-05 are July 23, 2017 through August 5, 2017 and August 6, 2017 through August 24, 2017.

Statements of Qualifications should be delivered to the District Purchasing Department, 208 Bull Street, Room 213, Savannah, Georgia, 31401.

Statements of Qualifications will be accepted prior to 11:00 A.M. on Thursday August 24, 2017. This deadline for Statements of Qualifications will be extended at least 72 hours, excluding Saturdays, Sundays, and legal holidays, if the District issues any addenda modifying the plans or specifications for the project within a period of 72 hours, excluding Saturdays, Sundays or legal holidays, prior to the advertised time for opening the Statements of Qualifications. Under such circumstances, it will not be necessary to re-advertise the RFQ. Any addenda released within 72 hours of the advertised time for opening the Statements of Qualifications will be provided to all firms that attend the Pre-Proposal Conference.

A Pre-Proposal Conference will be held on August 10, 2017 at 10:00 A.M., in Room 103 of the Savannah-Chatham County Public School System's Central Offices Building, located at 208 Bull Street, Savannah, Georgia 31419. Offerors are encouraged to attend.
STANDARD TERMS AND CONDITIONS OF REQUEST FOR QUALIFICATIONS

This Section includes basic minimum standard requirements established by the District for the performance of the “On Call” Architectural and Engineering Services sought by the District. Additionally, this Section includes the basic minimum requirements established by the District for responding properly to this RFQ; any Statement of Qualifications which does not respond in a manner that meets these requirements will be considered non-responsive and the Offeror will not be considered for award of a Contract.

PLEASE NOTE THAT IMPORTANT ADDITIONAL REQUIREMENTS ARE STIPULATED IN ATTACHMENTS TO THIS RFQ.

A. Owner Administration of Project

The District is the Owner of the Project. To assist in its administration of the Project, the District may employ a Program Manager (abbreviated “PM”). Certain actions indicated in this RFQ to be performed by the District may instead be performed by the PM, on the behalf of the District. Should at any time the District determine it to be in its best interest to discontinue the services of the PM, thereby assuming administration of the project, all Offerors, or if during the period of performance of services procured by this RFQ, the Design Professional, shall be required to adhere to procedures established by such a change. This stipulation does not seek to describe, establish, or limit administration responsibilities of the Design Professional.

B. Receipt & Registration of Statements of Qualifications

Statements of Qualifications (and any subsequent modifications) will be time-stamped upon receipt. Immediately after the date and time stipulated for receipt of all Statements of Qualifications, all Statements that were delivered in a timely manner will be entered into a register, which will be available for public review. The Statements will not then be publicly opened, and no information contained within the Statements of Qualifications shall be released or discussed. Statements and modifications will be shown only to District personnel having a legitimate interest. Only after Contract(s) are awarded will statements be open to public review.

Statements of Qualifications received after the time and date for submittal stipulated herein this RFQ will be returned to the Offeror unopened. The time of receipt shall be determined by the time stamp in the Purchasing Department. Offerors are responsible for ensuring that their Statement of Qualifications are stamped by Purchasing Department personnel before the deadline indicated. Statements received after the time and date for submittal stipulated herein this RFQ will not be opened, reviewed, or considered.

C. Scope of Services

The Scope of Services to be provided is detailed in Attachment A, “SCOPE OF SERVICES, FORM OF PROPOSAL, SELECTION PROCESS AND FORM OF AGREEMENT” (including exhibits attached thereto).

D. RFQ Clarifications / Addenda

If any questions should arise prior to the date and time indicated below pertaining to the RFQ documents, Offeror may deliver, mail, or fax (no verbal communications or e-mails will be accepted) a written request for clarification or interpretation to:

Savannah-Chatham County Public School System
Attention: Director of Purchasing
208 Bull Street, Room 213
Savannah, GA 31401
Fax No: 912-201-7648

Any clarification interpretation of documents shall be made by Addendum to the RFQ. At least one Addendum will be issued, which will include as a minimum a list of all potential Offerors who signed attendance at the Pre-Proposal Conference. A copy of each Addendum issued will be mailed or faxed to each Offeror receiving a set of RFQ
documents. All inquiries to which Offerors wish to see responses included in an Addendum must be submitted on or before 5:00 p.m., on Monday, August 14, 2017. The District shall not be responsible for any other explanation of questions submitted after this date. The District shall mail, email, fax, or contact Offeror for pickup of any Addenda seventy-two (72) hours prior to the closing date and time.

The Offeror must acknowledge receipt of all Addenda on the CERTIFICATION FORM (Form 1). Failure by the Offeror to acknowledge each and every Addendum on the CERTIFICATION FORM will render the Offeror’s Statement of Qualifications non-responsive.

E. Pricing

In the event the Offeror wishes to provide additional services above and beyond the stated requirements of this RFQ at “no cost” to the District, these services should be identified and included in the RFQ response. Pricing information is not to be included as a part of the Statement of Qualifications. The District has established a Compensation Schedule for Architectural and Engineering Services (Board Policy FGC-E(2)), based on the Stated Cost Limitation (SCL) of the project. The District reserves the right to negotiate an appropriate fee for any project. Fees shall not exceed amounts approved by the State Board of Education for capital outlay projects.

F. Signed Statements of Qualifications Considered Offer

The signed Statement shall be considered an offer on the part of the Offeror, and shall be deemed accepted upon approval by the District. In case of a default on the part of the Offeror after such acceptance, the District may take such action as it deems appropriate, including legal action for damages or lack of required performance.

G. Non-Response by Prospective Offerors

If a Statement of Qualifications is not to be submitted, but Offeror wishes to remain on the District’s list of potential providers, Offeror should complete and return the CERTIFICATION FORM (Form 1) and the LOCAL AND/OR MINORITY/WOMEN BUSINESS ENTERPRISE DEVELOPMENT INFORMATION document (Form 2) found in this packet marked “No Response”.

H. Compliance with Specification / Terms and Conditions

The Request for Qualifications, Legal Advertisement, General Terms and Conditions, RFQ Submittal Instructions, Special Terms and Conditions, Specifications, Attachments, Offeror’s Response, any Addenda, and/or any other pertinent documents form a part of the Offeror’s Statement of Qualifications and by reference are made a part hereof.

I. Communications Regarding Qualifications of Offerors

All submissions shall be final. Once Statements of Qualifications are submitted, any communication between the Offerors and the District regarding the content of Statements of Qualifications shall take place only at the sole discretion and instigation of the District, and shall occur only in written form.

Verbal clarifications to or discussions regarding any Offeror’s submission will be considered by the District ONLY at specified and scheduled oral presentations, for the purpose of:

- Promoting understanding of the District’s requirements and the Offerors’ Statements.
- Facilitating the possible arrival at an agreement that is most advantageous to the District, taking into consideration established evaluation factors and price.

J. Errors in Statements of Qualifications

Offerors are expected to fully inform themselves as to conditions, requirements, and specifications before submitting Statements. Failure to do so will be at the Offeror’s own risk. The Offeror may withdraw a Statement of Qualifications prior to the stipulated submittal deadline by requesting to do so in writing; however, this written request must be presented to the District in a manner that is sufficient to make clear that the Offeror seeking to withdraw a Statement
of Qualifications is in fact the Offeror indicated on the Certification Form (Form 1) submitted previously as a part of the Statement of Qualifications of which withdrawal is sought.

K. Public Information

It is the policy of the District that at the conclusion of the selection process, the contents of all Statement of Qualifications will be placed in the public domain and be open to inspection by interested parties. Trade secrets or proprietary information that are recognized as such and are protected by law may be withheld, but only if clearly listed and identified as such in the Statement. The District shall not be responsible or liable for its failure to protect trade secrets or proprietary information. In the event that no Contract is awarded as the result of this RFQ, all Offerors will be notified. The District will keep all original Statements and will destroy all copies after 30 days, allowing Offerors opportunity to retrieve the copies should they wish. The original Statements will be kept on file in the District Purchasing Department.

In order to protect any Trade Secret information, the offeror must submit an affidavit pursuant to O.C.G.A. § 50-18-72 affirmatively declaring that specific information in the offeror's Statement of Qualifications (Proposal) constitutes a Trade Secret pursuant to the Georgia Trade Secrets Act, O.C.G.A. § 10-1-760 et. seq. Offerors shall not mark sections of their Statement of Qualifications (Proposal) as "Trade Secret" that do not meet the requirements of O.C.G.A. § 10-1-760 et. seq. Offerors shall not mark sections of their Statement of Qualifications (Proposal) as "Proprietary Information" if they are to be part of the award of the contract and are of a "material" nature. All information submitted as "Trade Secret" or "Proprietary Information" should be submitted in a separate envelope with the appropriate envelope and so indicated and shall include the affidavit required by the Open Records Act O.C.G.A. § 50-18-72(34). If challenged, the Offeror who submits the "Trade Secret" or "Proprietary Information" will bear all costs associated with their position.

L. Offeror's Essential Credentials and Business Structure

A responsible Offeror for the purpose of this RFQ is stipulated to be one who meets, or who by the time and date for submittal of Statements of Qualifications stipulated herein this RFQ, can meet all requirements for licensing, bonding, insurance, and service contained within this Request for Qualifications. The District has the right to require any or all Offerors to submit documentation, in addition to that required by this RFQ, of the ability to perform, provide, or carry out the services requested. Offeror's majority (51%) ownership, whether public or private, must be held by citizens or lawful permanent residents of the United States.

The Offeror must be licensed to perform the Services solicited by this RFQ. The Offeror's Georgia Architectural and Engineering Professional's license, as well as the name of the individual who serves as the Qualifying Agent for the Offeror are required with each Statement of Qualifications. The Georgia Architectural and Engineering Professional's License provided here shall be the one stamped on all Construction Documents used in obtaining a building permit in association with the Work of this Project. As applicable, the Company name on the Georgia Architectural and Engineering Professional license must be identical to that name entered on the required Certification Form (Form 1). If the Offeror is a corporation, a copy of a current Annual Corporate Registration issued by the State in which incorporated is required. Also, a copy of the current local business license held by the Offeror, from the municipality where it is located, is required.

This RFQ seeks to solicit Offers from any legal form of business. If the Offeror is a partnership or joint venture (PJV), a copy of the contractual agreement between the participants in the PJV must be provided as a part of the Statement of Qualifications. The PJV agreement must be adequate to its purpose of establishing a safe and well-structured good faith relationship between the participants, and must comply with all applicable laws, including Antitrust Laws. The agreement must include adequate provisions to address unforeseen events such as the demise of any one of the partners or joint venture companies, and the like.

If a joint venture, information and documentation must be provided to establish whether the joint venture is a business entity created for the purpose of functioning as the joint venture, or whether the joint venture is operated through the existing legal status of the venture partners. All information regarding the legal structure and reporting of income for tax purposes of the PJV must be provided. The District may disqualify from consideration the Offer of any PJV when it determines such disqualification to be in its best interest.
The District WILL NOT enter into an agreement with more than one legal business entity. Additionally, if two or more projects have not been previously undertaken and successfully completed by a PJV Offeror, each party to the PJV responding to this RFQ must submit complete but separate Statements of Qualifications, with each separate Statement making clear that it is a part of a PJV Offer. It is required that each participant in a PJV be routinely and on a daily basis in the business of providing services which are closely similar or identical to those Services solicited by this RFQ.

M. Standards of Acceptance of Statements of Qualifications for Contract Award

The District reserves the right to reject all statements of qualifications (proposals) or any statement of qualification (proposal) that is non-responsive or not responsible and to waive technicalities and informalities. The District reserves the right to terminate this entire RFQ at any time before the Board of Education awards a contract to any offeror for any reason and re-advertise for the same or similar services using the same or a different procurement process. Because this solicitation seeks to create a group of "on-call" architectural and engineering services, the "Short-Listed" offerors may never receive a contract resulting from this solicitation, and the District reserves the right to separately solicit and contract for any future architectural and engineering services as it determines to be in its best interest.

The District has the right to disqualify any Offeror from consideration when such Offeror cannot demonstrate its ability to deliver requested services or when investigation shows it is not in a position to perform the solicited services in a manner that is in the best interest of the District.

N. Compliance With Laws

The Offeror shall obtain and maintain all licenses, permits, liability insurance, workman's compensation insurance and comply with any and all other standards or regulations required by Federal, State, County, and City statutes, ordinances and rules during the performance of any contract between the District and the Offeror. Any such requirement specifically set forth in any contract document between the Offeror and the District shall be supplementary to this section and not in substitution thereof.

O. Insurance Requirements

Before performing any work on the awarded contract, the successful Offeror shall procure and maintain, during the life of said contract, insurance coverage as prescribed in the Form of Agreement. The policies of insurance shall be primary and written on forms acceptable to the District and placed with insurance carriers approved and licensed by the insurance Commission of the State of Georgia and meet minimum financial A.M. Best & Company rating of no less than A(-). Further, the contractor will provide copies of all insurance policies required hereunder. No changes are to be made to these requirements without prior written specific approval by the District.

The Offeror shall review the Consultant Professional Agreement and once contracted, shall be required to shall provide the Specified Coverages and Limits of Insurance. Immediately, and before the start of the Project, the successful Offeror / Architectural and Engineering Professional must provide to the District a Certificate of Insurance as evidence of all insurance coverages and limits stipulated therein the Consultant Agreement. There is no waiver of subrogation rights by either party with respect to insurance. Additionally, within 30 days of notice of award of a Contract, a certified copy of all policies in their entirety (including the Declarations pages) shall be provided to the District.

The Offeror must meet certain minimum insurance requirements at the time a Statement of Qualifications is submitted, which include current certificate(s) and a letter from insurer. Insurance certificates of current existing policies and coverage’s will be required as a part of each Statement of Qualifications, as well as a letter from the Offeror’s insurer stating that the Offeror can provide required limits of insurance specified by this RFQ, pending award of a contract.

P. Indemnity Provisions

To the maximum extent permitted by Georgia law, the Offeror shall indemnify and hold harmless the District its representatives, officers and employees from any and all liabilities, damages, losses and costs, including, but not limited to, the District’s reasonable attorneys’ fees and expenses incurred in the defense thereof, to the extent caused by or resulting from the negligence, recklessness, or intentionally wrongful conduct of the Offeror or anyone employed or utilized by the Offeror in the performance of this Agreement. This indemnification obligation shall not be construed
to negate, abridge or reduce any other rights or remedies which otherwise may be available to an indemnified party or person described in this paragraph.

Q. Certification of Independent Submission

By submission of a Statement of Qualifications, the Offeror certifies that in connection with this Request for Qualifications:

1. The information in this Statement of Qualifications has been arrived at independently, without consultation, communication, or agreement, for the purpose of restricting competition with any other Offeror or with any competitor;

2. The information in this Statement of Qualifications has not been knowingly disclosed by the Offeror and will not knowingly be disclosed by the Offeror prior to the District’s final determination regarding this RFO, directly or indirectly to any other Offeror or to any competitor; and

3. No attempt has been made or will be made by the Offeror to induce any other person or firm to submit or not to submit a Statement of Qualifications for the purpose of restricting competition.

4. In the event the Offeror is a partnership or joint venture, each party thereto certifies the above.

R. Development of Local and Minority / Woman Business Enterprises.

It is the policy of the Board of Education to maximize the utilization of qualified local, minority, and women owned business enterprises ("LMWBEs") who provide professional services or who serve as prime contractors, subcontractors or suppliers as a part of the District’s facilities construction, maintenance and repair programs. Prime contractors on district construction projects shall make and document good faith efforts to maximize the utilization of qualified LMWBEs as subcontractors and suppliers and provide proof of such efforts and contracts with and payments made to LMWBEs upon request. The Board also promotes capacity building within the local construction community and encourages the use of partnerships, teaming and mentorships to provide LMWBEs with relevant and necessary experiences to grow their business.

For the purposes of this policy, good faith efforts may include, but not be limited to, the following:

- Attend pre-solicitation meetings to inform LMWBEs of subcontracting opportunities.
- Advertise in general circulation media, trade association publications, and minority and women business enterprise media to provide notice of subcontracting opportunities.
- Communicate with the City of Savannah’s Office of Economic Development to identify available and qualified LMWBE firms.
- Select portions of work for subcontracting in areas with established availability of LMWBE subcontractors.
- Solicit and negotiate with available and qualified LMWBEs for specific subcontracting opportunities.
- Assign substantive work to LMWBEs or LMWBE teaming partners.

For the purposes of this policy, a local business enterprise is defined as (1) having established a regular, physical place of business other than a job site office with at least one employee within the geographical boundaries of the Savannah, Georgia Metropolitan Statistical Area (MSA) prior to the closing date on the solicitation (a post office box address will not satisfy this requirement); (2) having a current Business Tax Certificate and other licenses, certificates, or permits required by law to operate a business in that location; and (3) performing a commercially useful function within the local office.

For the purposes of this policy, a Minority Business Enterprise is an independent, continuing venture that is at least 51% owned by a minority person or persons that meets the criteria for a Disadvantaged Business. A Disadvantaged Business is a small business which is owned, controlled and managed on a daily basis by a majority or persons, not limited to members of minority groups, who have been deprived of the opportunity to develop and maintain a competitive position in the economy because of social disadvantage. This includes:
1. African American: A person with origins in any of the Black racial groups of Africa;
2. Hispanic American: A person with origins from Mexico, South America, Central America or the Caribbean Basin, regardless of race; and
3. Asian American: A person with origins from the Indian subcontinent, countries of the Asian Pacific region, and surrounding countries; and

For the purposes of this policy, a Women Business Enterprise is an independent, continuing venture that is at least 51% owned by one or more women. To qualify as an LMWBE, the owner must be a citizen or lawful permanent resident of the United States, be involved in daily business operations, and provide a commercially useful function. The ownership interest must be real and continuous and not created solely to meet the local/minority/women business or local/minority/women contractor good faith efforts.

SCCPSS shall, through their program management and construction management providers, engage in efforts to communicate opportunities afforded by the District’s facilities construction, maintenance and repair programs to LMWBEs, including but not limited to:

- Communicate opportunities associated with SCCPSS facilities construction, maintenance and repair programs to the citizens of Chatham County.
- Work with other local governments and relevant community organizations to provide technical assistance and guidance to LMWBEs;
- Develop strategies to assist prime contractors in maximizing their utilization of LMWBEs;
- Develop and provide informational sessions to educate LMWBEs in the requirements of the District’s procurement process;
- Provide notices as outlined above and maintain a list of vendors who have provided or are interested in providing services to the SCCPSS, as outlined above.

SCCPSS may, from time to time, audit vendor contracts with and payments to LWMBE contractors and subcontractors and may require that proof of such contracts and payments be provided to the SCCPSS.

The Savannah Entrepreneurial Center of the City of Savannah is merely a reference resource, and has and shall have no authority in the evaluation of Offerors or Statements of Qualifications, or in the disposition of grievances or protests pertaining to this RFQ.

S. Protests.

Any actual or bona fide prospective Offeror who is aggrieved in connection with this RFQ may protest to the Purchasing Director. By submitting a Statement of Qualifications in response to this RFQ, the Offeror agrees that this RFQ, as modified by Addendum, is fitting and proper, and that no claim or grievance against the District that is attributable to the content of the RFQ exists. Any protest shall be submitted within five business (5) days after the action by the District on which the grievance is based, but in no case later than five business (5) days after the date of the District’s notice of intent to award the Work of this RFQ, which will be transmitted by fax to all Offerors.

The District shall not intentionally withhold information that is stated in this RFQ to be forthcoming at certain intervals, but failure of the District to notify an Offeror who might be aggrieved by the content of such notification shall not give rise to any claim or rights resulting from said failure. Only formal protests will be considered, and in order for a protest to be considered as formal, it must be presented in written form, and must contain a minimum of the following:
• A specific identification of the statutory or regulatory provision(s) that the District’s purchasing staff member or department is alleged to have violated,
• A specific description of each act alleged to have violated the statutory or regulatory provision(s) identified above,
• A precise statement of the relevant facts that include timelines and all involved parties, and
• An identification of the issue(s) that needs to be resolved that support the protest.

The letter of protest shall be taken under consideration by the Chief Financial Officer and the Superintendent, who shall respond to the protesting offeror within ten (10) business days of receipt of the letter of protest. This written decision shall be final and conclusive.

T. Award of Contract.

The Selection Committee will receive and evaluate all Statements of Qualifications (proposals) submitted in response to this RFQ. The District will evaluate each Qualifications statement based on its technical merit and conformance to the requested information. Upon completion of the evaluation by the Selection Committee, all responsive and responsible offerors that meet the minimum qualifications requirements for this solicitation will be ranked using criteria described in Section 11.0. The District will use this initial ranking to determine a short list of offerors reasonably susceptible for award (the “Short-Listed Offerors”). The District may proceed to name the top five (5) Short-Listed Offerors as Finalist Offerors or the District may decide to interview all of the Short-Listed Offerors to determine a list of five (5) Finalist Offerors. If interviews are conducted, the interview Scoring Criteria provided in Section 13.0, which may be subsequently modified by addenda provided to all Short-Listed Offerors, will be used to re-rank the Short-Listed Offerors to determine the Finalist Offerors.

No specific projects have been identified at this time. Project contracts will be awarded to the Finalist Offerors on an “as needed” basis. Contracts will be awarded to Finalist Offerors on a rotating basis in a manner that is in the best interest of the District. The District reserves the right to negotiate or solicit competitive price proposals from one or more of the Finalist Offerors or negotiate with the Finalist Offeror that deems best suited to provide services on a given work order. Should the District begin negotiations with one Finalist Offeror but is unable to reach agreement as to the terms of a contract for any particular project, the District may proceed to negotiate with another Finalist Offeror. Should the District choose to reuse the documents from an existing District project, the District may award a contract to the firm or person who prepared the original documents.

The District reserves the right to reject all statements of qualifications (proposals) or any statement of qualification (proposal) that is nonresponsive or not responsible and to waive technicalities and informalities. The District reserves the right to terminate this entire RFQ at any time before the Board of Education awards a contract to any offeror for any reason and re-advertise for the same or similar services using the same or a different procurement process. Because this solicitation seeks to create a group of “on-call” architectural and engineering services, the “Short-Listed” offerors may never receive a contract resulting from this solicitation, and the District reserves the right to separately solicit and contract for any future architectural and engineering services as it determines to be in its best interest.

U. Offeror Performance.

The successful Offeror(s) will be evaluated by the District over the duration of the contract period. Performance will be documented. Poor performance may result in the Offeror being disqualified on future RFQs.

V. Cancellation / Default of Contract.

Cancellation or Default of a contract shall be as prescribed in Attachment A, “Scope of Service, Form of Proposal, Selection Process and Form of Agreement.”

RFQ #C18-05 (ESPLOST)

1.0 CONE OF SILENCE:

A “Cone of Silence” is imposed upon this Request for Qualifications (RFQ) after advertising, and terminates at the time the Board of Education awards a contract. The Cone of Silence prohibits any communications by written, oral, or electronic form by, or on behalf of, a prospective offeror for this solicitation, including any persons affiliated with or in any way related to a prospective offeror, and any member of the Board of Education, the superintendent or his staff, any persons involved in evaluating the statements for qualifications (proposals), program managers, or members of any selection committee. The Cone of Silence is intended to prohibit lobbying for, or against, a particular vendor or vendors and to prevent prospective offerors from circumventing the process for selection set forth in this RFQ.

The Cone of Silence does not apply to oral communications with the Director of Purchasing, or the Director of Purchasing’s designees, at pre-proposal conferences, site visits (as applicable), presentations before selection committees, or contract negotiations with offerors selected for award. Written communications expressly authorized by this solicitation, such as (1) the submission of the statement of qualifications packet itself, (2) requests for interpretation, requests for material substitutions, protests, or similar inquiries to the purchasing department, (3) documents circulated at oral presentations before selection committees, or (4) documents circulated in connection with contract negotiations with the bidder(s) selected for award are also permitted in communication with the Director of Purchasing or the Director of Purchasing’s designees. The Cone of Silence does not apply to presentations allowed by Board policy or to the Board of Education at a duly called public meeting.

In addition to any other penalties provided by law, violation of the Cone of Silence by any prospective offeror may result in the rejection of the prospective offeror’s response and disqualify the prospective offeror from being awarded any contract as a result of this solicitation. Any person having personal knowledge of a violation of these provisions shall immediately report such violations to the District’s Purchasing Department.

12.0 **CONSULTANT SELECTION PROCESS:**

The Selection Committee will receive and evaluate all Statements of Qualifications (proposals) submitted in response to this RFQ. The District will evaluate each Qualifications statement based on its technical merit and conformance to the requested information. Upon completion of the evaluation by the Selection Committee, all responsive and responsible offerors that meet the minimum qualifications requirements for this solicitation will be ranked using criteria described in Section 11.0. The District will use this initial ranking to determine a short list of offerors reasonably susceptible for award (the “Short-Listed Offerors”). The District may proceed to name the top five (5) Short-Listed Offerors as Finalist Offerors or the District may decide to interview all of the Short-Listed Offerors to determine a list of five (5) Finalist Offerors. If interviews are conducted, the Interview Scoring Criteria provided in Section 13.0, which may be subsequently modified.
by addenda provided to all Short-Listed Offerors, will be used to re-rank the Short-Listed Offerors to determine the Finalist Offerors.

No specific projects have been identified at this time. Project contracts will be awarded to the Finalist Offerors on an "as needed" basis. Contracts will be awarded to Finalist Offerors on a rotating basis in a manner that is in the best interest of the District. The District reserves the right to negotiate or solicit competitive price proposals from one or more of the Finalist Offerors or negotiate with the Finalist Offeror that it deems best suited to provide services on a given work order. Should the District begin negotiations with one Finalist Offeror but is unable to reach agreement as to the terms of a contract for any particular project, the District may proceed to negotiate with another Finalist Offeror. Should the District choose to reuse the documents from an existing District project, the District may award a contract to the firm or person who prepared the original documents.

The District reserves the right to reject all statements of qualifications (proposals) or any statement of qualification (proposal) that is nonresponsive or not responsible and to waive technicalities and informalities. The District reserves the right to terminate this entire RFQ at any time before the Board of Education awards a contract to any offeror for any reason and re-advertise for the same or a different procurement process. Because this solicitation seeks to create a group of "on-call" architectural and engineering services, the "Short-Listed" offerors may never receive a contract resulting from this solicitation, and the District reserves the right to separately solicit and contract for any future architectural and engineering services as it determines to be in its best interest.
