"AN EQUAL OPPORTUNITY EMPLOYER"
INVITATION TO BID (ITB): #C19-21
SAVANNAH ARTS AUDITORIUM CEILING REPAIR

I. INTRODUCTION

The Board of Public Education for the City of Savannah and the County of Chatham (the “District”), the body corporate responsible for public education in Chatham County, which is commonly known as the Savannah-Chatham County Public School System (“SCCPSS”), seeks sealed bids as specified in this Invitation to Bid (“ITB”).

It is worth noting at the outset that this Invitation to Bid is a competitive sealed bidding process. The Contract, if one is awarded at all, will be to the lowest Bidder on a base bid plus selected additive alternates basis and will be substantially in accordance with the Sample Contract (Form of Agreement) attached to this solicitation. Additive alternates may be exercised in any order by the District. As the District considers accepting any of the additive alternates, it will recalculate all the bids adding the same additive alternates to be taken. The low bid shall then be determined on the base bid plus the selected additive alternates.

Vendors who wish to be awarded a contract by the District to provide the goods and/or services requested by this ITB shall be referred to herein as the “Bidder(s).” To be considered for an award of a contract under this ITB, Bidders should carefully read this solicitation document, which is called Invitation to Bid (ITB): #C19-21 Savannah Arts Auditorium Ceiling Repair and all of the forms, product specifications, service requirements, contract documents, or other materials that may be attached hereto or referenced herein. This ITB and the associated documents identify the goods/and or services requested by the District, contain the instructions for preparing and submitting bids, and outline the process by which the District will award a contract for those goods and/or services, if it decides to award a contract at all.

II. GENERAL TERMS AND CONDITIONS FOR THIS ITB

A. A “Cone of Silence” Applies to this ITB.

A “Cone of Silence” is imposed upon this ITB after advertising and terminates at the time the District awards a contract. Except as specifically set forth below, the Cone of Silence prohibits any communications in any form (whether written, oral, or electronic) by, or on behalf of, a prospective Bidder for this solicitation, including any persons affiliated with or in any way related to a prospective Bidder, with any District employee, any member of the elected Board of Education that serves as the District’s governing body, the Superintendent or her staff, and any other persons involved in evaluating the bid, such as program managers or members of any selection committee. The Cone of Silence is intended to prohibit lobbying for, or against, a particular Bidder or Bidders and to prevent prospective Bidders from circumventing the process for selection set forth in this ITB.

The Cone of Silence does not apply to oral communications with the Director of Purchasing, or the Director of Purchasing’s designees, at pre-bid conferences, site visits (as applicable), presentations before selection committees, contract negotiations with bidders selected for award, or at other times expressly allowed by this solicitation. Written communications expressly authorized by this solicitation, such as (1) the submission of the bid itself, (2) requests for interpretation, requests for material substitutions, protests, or similar inquiries to the purchasing department, (3) documents circulated at oral presentations before selection committees, or (4) documents circulated in connection with contract negotiations with the bidder(s) selected for award are also permitted in communication with the Director of Purchasing or the Director of Purchasing’s designees. The Cone of Silence does not apply to presentations allowed by Board policy or to the Board of Education at a duly called public meeting.

In addition to any other penalties provided by law, violation of the Cone of Silence by any bidder may result in the rejection of the bidder’s response and disqualify the bidder from being awarded any contract as a result of this solicitation. Any person having personal knowledge of a violation of these provisions shall immediately report such violations to the District’s Purchasing Department.

A non-exclusive list of reasons why the deadline may be extended include: the issuance of addenda to this ITB or the associated specifications, a total absence of bids, District closure due to inclement weather, etc. The Director of the Purchasing Department will either extend the deadline for all bidders or not at all.

Bidders may withdraw bids at any time up to the scheduled time for receipt of bids. Bidders may resubmit bids provided it is prior to the scheduled time for receipt of bids.

H. Timely-filed, Signed Bids Considered an Offer.

A bidder’s timely-filed, signed bid shall be considered an offer on the part of the bidder which may become a binding contract on the bidder if accepted by the District at the conclusion of the bid evaluation process. By submitting a bid in response to this ITB, bidder agrees that bid will remain open for acceptance by the District for at least 120 days without any changes in terms or pricing.

In event that the Bidder refuses to perform its promises made in its offer after acceptance by the District, the District may take such action as it deems appropriate to redress the bidder’s failure to perform, including legal action for damages or equitable relief, including specific performance, for the bidder’s lack of required performance.

I. Non-Response by Prospective Bidders.

If a Bidder does not wish to submit a bid in response to this ITB but would like to remain on the list of potential vendors for the District, please complete and return only the “No Bid Statement Form” included with this ITB packet and clearly mark the outside of the envelope with the words “No Response.”

J. Form and Formatting of Bids.

The form and formatting requirements for bids requested by this ITB are described in “Attachment A- Goods and/or Services Requested, Format of Bids, Evaluation Criteria for Award, and Contract Requirements.”

K. Bid Bonds.

A bid bond IS NOT required with Bidder’s bid for this ITB.

Bids must be accompanied by a Bid Bond made payable to the District in an amount not less than five percent (5%) of the Bid. Bid Bonds should be furnished on forms accepted as standard by the insurance industry but shall be substantially in accordance with the Bid Security Form attached hereto.

L. Performance and Payment Bonds.

Performance and Payment bonds ARE NOT required in connection with this ITB.

If the bid exceeds $100,000, the successful Contractor will be required to provide both a Performance
Bond and a Payment Bond, each in an amount equal to 100 percent of the total Contract amount within 14 days receipt of the District’s Intent to Award and prior to execution of contract.

M. Bidder’s Essential Credentials and Business Structure to be considered a “Responsible Bidder.”

To even be considered for a possible award of a contract for the goods and/or services requested by this ITB, a Bidder must be deemed a “responsible” Bidder by the District’s Purchasing Department.

To be considered a “responsible” Bidder for the purpose of this ITB, a Bidder must be licensed and have the capacity to provide the goods and/or perform the services requested by this ITB and must be able to meet the minimum licensing, bonding, insurance, and contractual requirements of this ITB. The District reserves the right to request a Bidder to provide additional information or documentation to demonstrate that it is a “responsible” Bidder. Failure to provide the requested additional information, in itself, will be sufficient grounds for the District to declare the Bidder to be not “responsible” for the purposes of this ITB.

To be considered a “responsible” Bidder, the Bidder’s majority (51%) ownership, whether public or private, must be held by citizens or lawful permanent residents of the United States.

To be considered a “responsible” Bidder, the Bidder must attach to its bid a copy of any and all business licenses needed for the Bidder to provide the requested goods and/or services, including any local business licenses needed to provide the good and/or services requested by this ITB in Chatham County.

If the Bidder is a corporation, a copy of a current Annual Corporate Registration issued by the State in which the Bidder is incorporated is required to demonstrate that the Bidder is a “responsible” Bidder.

While any lawful form of business may be a “responsible” Bidder, if the Bidder is a partnership or joint venture, a copy of the contractual agreement between the partners or the participants in the joint venture must be provided with the Bidder’s bid. The partnership or joint venture agreement must be adequate to its purpose of establishing a safe and well-structured good faith relationship between the participants, and must comply with all applicable laws, including Antitrust Laws. The agreement must include adequate provisions to address unforeseen events such as the demise of any one of the partners or joint venture companies, and the like. If the Bidder is a partnership or joint venture between two existing business entities, including, but not limited to, a corporation or LLC, then all partner should be routinely and on a daily basis in the business of providing services which are closely similar or identical to those Services solicited by this ITB. If the District determines that the form of the Bidder’s business, including a partnership or joint venture, was not created for a legitimate business purpose, could impair the Bidder’s performance in response to this solicitation, poses a liability to the District, or is otherwise not in the best interest of the District, then the District reserves the right to disqualify the Bidder and determine that it is not responsible.

If the Bidder is a joint venture, information and documentation must be provided to establish whether the joint venture is a business entity created for the purpose of functioning as the joint venture, or whether the joint venture is operated through the existing legal status of the venture partners. All information regarding the legal structure and reporting of income for tax purposes of the joint venture must be provided.

It is the District’s intent to only enter into a contract as a result of this ITB with a single Bidder. The District reserves the right to reject as “non-responsive” or “not responsible” any bid that requests the District to enter into contracts with multiple Bidders.

N. Insurance, Warranty, Indemnity and Other Requirements for “Responsible” Bidders.

To be considered a “responsible” Bidder, all Bidders may be required to meet minimum insurance, warranty, indemnity and other requirements set forth in more detail in “Attachment A- Goods and/or Services Requested, Format of Bids, Evaluation Criteria for Award, and Contract Requirements,” which is incorporated by this reference.
O. O.C.G.A. § 13-10-91 and E-Verify Compliance Required for “Responsible” Bidders.

To be considered a “responsible” Bidder, all Bidders are required to comply with O.C.G.A. § 13-10-91, a Georgia statute that prohibits a public employer such as the District from entering into any contract with a contractor who fails to participate in the federal work authorization program E-Verify or fails to demonstrate that it is not required to participate in the E-Verify program. In order to be deemed a “responsible” Bidder eligible for this ITB, the Bidder must provide the affidavit(s) or other documentation required O.C.G.A. § 13-10-91. While the District provides sample O.C.G.A. § 13-10-91 affidavit forms in this ITB, Bidders are solely responsible for familiarizing themselves with their obligations under O.C.G.A. § 13-10-91 and making sure that they provide the District with the required documentation.

P. Local and/or Minority/Women Business Enterprise (LMWBE) Policies.

It is the policy of the District to maximize the utilization of qualified local, minority, and women owned business enterprises (“LMWBEs”) who provide professional services or who serve as prime contractors, subcontractors or suppliers as a part of the District’s facilities construction, maintenance and repair programs. Prime contractors on district construction projects shall make and document good faith efforts to maximize the utilization of qualified LMWBEs as subcontractors and suppliers and provide proof of such efforts and contracts with and payments made to LMWBEs upon request. The District also promotes capacity building within the local construction community and encourages the use of partnerships, teaming and mentorships to provide LMWBEs with relevant and necessary experiences to grow their business.

For the purposes of this policy, good faith efforts may include, but not be limited to, the following:

- Attend pre-solicitation meetings to inform LMWBEs of subcontracting opportunities.
- Advertise in general circulation media, trade association publications, and minority and women business enterprise media to provide notice of subcontracting opportunities.
- Communicate with the City of Savannah’s Office of Economic Development to identify available and qualified LMWBE firms.
- Review the District’s list of vendors indicating an interest in providing services to the District.
- Select portions of work for subcontracting in areas with established availability of LMWBE subcontractors.
- Solicit and negotiate with available and qualified LMWBEs for specific subcontracting opportunities.
- Assign substantive work to LMWBEs or LMWBE teaming partners.

For the purposes of this policy, a local business enterprise is defined as (1) having established a regular, physical place of business other than a job site office with at least one employee within the geographical boundaries of the Savannah, Georgia Metropolitan Statistical Area (MSA) prior to the closing date of the solicitation (a post office box address will not satisfy this requirement); (2) having a current Business Tax Certificate and other licenses, certificates, or permits required by law to operate a business in that location; and (3) performing a commercially useful function within the local office.

For the purposes of this policy, a Minority Business Enterprise is an independent, continuing venture that is at least 51% owned by a minority person or persons that meets the criteria for a Disadvantaged Business. A Disadvantaged Business is a small business which is owned, controlled and managed on a daily basis by a majority or persons, not limited to members of minority groups, who have been deprived of the opportunity to develop and maintain a competitive position in the economy because of social disadvantage. This includes, but is not limited to, persons who have experienced social disadvantage because of their membership in the following groups:

1. African American: A person with origins in any of the Black racial groups of Africa;
2. Hispanic American: A person with origins from Mexico, South America, Central America or the Caribbean Basin, regardless of race; and
3. Asian American: A person with origins from the Indian subcontinent, countries of the Asian Pacific region, and surrounding countries; and

For the purposes of this policy, a Women Business Enterprise is an independent, continuing venture that is at least 51% owned by one or more women. To qualify as an LMWBE, the owner must be a citizen or lawful permanent resident of the United States, be involved in daily business operations, and provide a commercially useful function. The ownership interest must be real and continuous and not created solely to meet the local/minority/women business or local/minority/women contractor good faith efforts.

The District shall, through their program management and construction management providers, engage in efforts to communicate opportunities afforded by the District’s facilities construction, maintenance and repair programs to LMWBEs, including but not limited to:

- Communicate opportunities associated with District facilities construction, maintenance and repair programs to the citizens of Chatham County.
- Work with other local governments and relevant community organizations to provide technical assistance and guidance to LMWBEs;
- Develop strategies to assist prime contractors in maximizing their utilization of LMWBEs;
- Develop and provide informational sessions to educate LMWBEs in the requirements of the District’s procurement process;
- Provide notices as outlined above and maintain a list of vendors who have provided or are interested in providing services to the District, as outlined above.

The District may, from time to time, audit vendor contracts with and payments to LMWBE contractors and subcontractors and may require that proof of such contracts and payments be provided to the District.

All Bidders must read, complete and return all of the LMWBE forms attached to this ITB.

Q. The District’s Reservation of Rights to Cancel this ITB, to Amend the ITB Process, to Disqualify Bidders, and to Waive Irregularities and Technicalities.

The District, in the discretion of the Purchasing Director, the Chief Financial Officer, the Superintendent, or the District’s governing body, the elected School Board, may cancel this ITB at any time before the District awards a contract to any Bidder(s). The District may decline to purchase the goods and/or services solicited in this ITB at all or it may decide to purchase some or all of the same goods and/or services through a similar or different procurement process.

The District, in the discretion of the Purchasing Director, the Chief Financial Officer, the Superintendent, or the District’s governing body, the elected School Board, reserves the right to amend this ITB and all attachments in any way and at any time (without cancelling it in its entirety) before the deadline for the submission of bids. Any addenda amending this ITB will be made available to all Bidders on the District’s website. As stated above, the submission deadline will be extended at least seventy-two (72) hours if any addenda is issued less than seventy-two (72) hours before the submission deadline.

The District further reserves the right to amend this ITB in any way after the deadline for the submission of bids (without cancelling the ITB in its entirety), except the District will not amend the original bid formatting or submission requirements or the criteria for determining whether the Bidder is a “responsive” or “responsible” Bidder. Non-exclusive examples of such an amendment to this ITB may be the addition of an inadvertent omission from the specifications.

The District further reserves the right to redo any stage of this ITB (without cancelling it in its entirety) if the District, in the discretion of the Purchasing Director, the Chief Financial Officer, the Superintendent, or the District’s governing body, the elected School Board, has concerns that a stage of the ITB should be redone to eliminate any question of whether it was conducted properly.
The District reserves the right to reject any and all bids submitted in response to this ITB, and to waive any irregularities or technicalities in bids received whenever such rejection or waiver is in the best interest of the District.

The District has the right to disqualify a bid of any Bidder on the basis that the bid is “nonresponsive” or the Bidder is “not responsible.”

A bid shall be deemed “nonresponsive” if it fails to include all of the information or documents required by this ITB.

A Bidder shall be deemed “not responsible” if the District determines that the Bidder fails to meet the minimal requirements to be eligible for consideration, including but not limited to, a lack of capacity to do the work or provide the services requested, a lack of proper insurance, the lack of a valid business license, failure to satisfy e-Verify requirements, negative past performance ratings on District projects, being disqualified from working for the District because of poor performance on a prior project, a litigation history unsatisfactory to the District, or some other reason that gives the District reason to question the responsibility or reliability of the Bidder.

The District will also evaluate whether the Bidder’s workload will allow the Bidder to complete this project within the established time, quality, or cost, or to comply with the Bidder’s contract obligations. In evaluating the Bidder’s workload, the District may consider whether the Bidder has submitted bids on other District projects and whether the award of multiple projects to the Bidder may impair the Bidder’s ability to complete this project within the established time, quality, or cost, or to comply with the Bidder’s contract obligations or otherwise pose a risk to the District.

The District reserves the right to request a Bidder to provide additional information in response to any concern that a Bidder may not be a “responsible” Bidder. Failure to provide the requested additional information, in itself, will be sufficient grounds for the District to declare the Bidder to be not “responsible” for the purposes of this ITB.

Bidders represent that, to the best of their knowledge, all information that they submit to the District in response to this ITB, whether through a bid or otherwise, is true and correct. If the District determines that information submitted by the Bidder is incorrect, the District may disqualify a bid as “non-responsive.” If the District determines that a Bidder intentionally misrepresented information submitted in response to the ITB, the District may disqualify the Bidder on the basis that it is “not responsible” for this solicitation and in future solicitations.

R. Evaluation and Award of Contract.

A contract with the District, if one is awarded at all, for the goods and/or services requested in this ITB will be awarded by means of the award process described in in “Attachment A - Goods and/or Services Requested, Format of Bids, Evaluation Criteria for Award, and Contract Requirements.”

Depending on the nature of the goods and/or services the District may provide a sample of the contract it is willing to execute with a successful Bidder. If such a sample contract is attached, then the Bidder is deemed to have agreed that all of the terms contained therein will be acceptable by submitting a bid. If the Bidder wants to propose materially different terms, then the Bidder should file a request for Material Substitution using the procedure outlined above before submitting its bid.

For other goods and/or services, the District may ask Bidders to provide a proposed contract. The terms of that proposed contract will be evaluated as part of the selection process to determine whether the Bidder is “responsive” and “responsible.” The specifications for the goods and/or services requested by this ITB may also include specific contract terms outlined in “Attachment A - Goods and/or Services Requested, Format of Bids, Evaluation Criteria for Award, and Contract Requirements” that should be included in any contract proposed by an Bidder.

By way of a non-exclusive example, the specifications may provide that the District will not agree to any contract provision requiring the District to indemnify any Bidder as such provisions are prohibited by District policy and state law. Conversely, there may be times when the District requires a Bidder to maintain certain
levels of insurance, to honor certain warranties, or to provide indemnities to the District.

S. Consideration of Bidder Past Performance.

Successful Bidders should be advised that they will be evaluated by the District over the duration of the contract period. Performance will be documented. Poor performance may result in the Bidder being disqualified on future ITBs or may result in the deduction of points from the Bidder on future District solicitations, whether they are other invitations to bid or requests for qualifications and requests for proposals. Good performance may result in the Bidder receiving additional points on future solicitations.

T. Public Information.

It is the policy of the District that at the conclusion of the selection process, the contents of all bids will be placed in the public domain and be open to inspection by interested parties. Trade secrets or proprietary information that are recognized as such and are protected by law may be withheld, if clearly identified as such in the bid. Failure to list all proprietary sections of the submitted bid shall relieve the District from any responsibility should such information be viewed by the public, a competitor, or be in any way accidentally released.

If this ITB is canceled before an award is made, bids will not be made available for public inspection to prevent Bidders from having an unfair advantage in future solicitations for the same goods or services.

U. Bidder Questions, Requests for Interpretations, and Issuance of Addenda.

If a Bidder should have any questions relating to an ITB, including but not limited to the interpretation of ITB language, the specifications for the goods and/or services requested, the terms of sample contract provisions attached to this solicitation, the preparation or submission of bids, or the evaluation and contract award process outlined in this ITB, the Bidder may deliver written requests for interpretation to the following address by U.S. Mail, by a commercial delivery service, such as Federal Express or UPS, by fax, or email to the Purchasing Department's designated email address below:

Savannah-Chatham County Public School System  
Attn.: Kathleen Watson-Scott, Purchasing Agent  
208 Bull Street, Room 213  
Savannah, GA 31401  
Fax No.: (912) 201-7648  
Email: purchasing@sccpss.com

All answers to questions and any interpretations of documents shall be made by addenda to the ITB and shall be made available to all Bidders on the District's website. While the District will also make a good faith effort to email or fax any addenda to all Bidders who attended pre-bid conferences, submitted requests for interpretations to the District, or otherwise communicated an interest to receive notice of addenda, the District's failure to provide a Bidder with individualized notice of an addenda will not provide a Bidder with grounds to protest the implementation of this ITB. Bidders are ultimately responsible themselves for keeping track of addenda issued by the District before the deadline for submitting bids in response to this ITB.

All requests for interpretation must be submitted to the Purchasing Department on or before the close of business, 5:00 P.M. on Monday, March 25, 2019. The District shall not be required to answer any questions about this ITB submitted after this date.

The Purchasing Department will extend the deadline for submitting bids for all Bidders by at least seventy-two (72) hours if it issues any addenda within seventy-two (72) hours before the scheduled bid submission deadline.

The Purchasing Director, or her designee, in her discretion, may extend the deadline for submitting requests for interpretation for all Bidders if the deadline for submitting bids is also extended.
V. Requests for Material Substitution of Products, Services, or Contract Terms.

The goods and/or services and contract terms requested by the District in this ITB are described in more detail in “Attachment A- Goods and/or Services Requested, Format of Bids, Evaluation Criteria for Award, and Contract Requirements” which is incorporated into this ITB by this reference.

When reference is made in the specifications as to a particular manufacturer, type of process, brand name, or model number, such references are usually, but not always, made to designate minimum acceptable levels of quality and do not indicate a preference. In some instances, a particular manufacturer, type of process, or brand name is required.

In the event a Bidder would like to propose another manufacturer, process, brand name, model number, etc. other than those stated in the specifications for this ITB, the Bidder must provide complete technical information, specifications, manufacturer’s name, model number and a complete list of deviations from stated specifications. The burden of proof for documenting that the proposed substitute is equal to the goods or services identified in the specifications rests with the Bidder. All determinations of the acceptability of the proposed substitute goods or services shall rest with the District staff and their decision shall be final.

Bids on equipment must be on standard, new equipment of the latest model and in current production, unless otherwise specified. Used, reconditioned or refurbished equipment is not acceptable unless otherwise specified.

All regularly manufactured stock electrical items must bear the label of the Underwriters Laboratories, Inc.

Any obvious error or omission in specifications shall not inure to the benefit of the Bidder but shall put the Bidder on notice to inquire of or identify the same from the District.

If the Bidder wishes to propose materially different terms than those requested by the District in Attachment “A” or in any Sample Contract, then Bidder should request to propose different Contract terms by identifying the provisions it wishes to change or wishes to add.

All requests for the material substitution of good and services and the change of contract terms shall be submitted to the Purchasing Department to the following address by U.S. Mail, by a commercial delivery service, such as Federal Express or UPS, fax, or by email to the Purchasing Department’s designated email address below:

Savannah-Chatham County Public School System  
Attn.: Kathleen Watson-Scott, Purchasing Agent  
208 Bull Street, Room 213  
Savannah, GA 31401  
Fax No.: (912) 201-7648  
Email: purchasing@scpps.com

All answers to requests for material substitution and requests for changes of contract terms shall be made by addenda to the ITB and shall be made available to all Bidders on the District’s website. While the District will also make a good faith effort to email or fax any addenda to all Bidders who attended pre-bid conferences, submitted requests for interpretations to the District, or otherwise communicated an interest to receive notice of addenda, the District’s failure to provide a Bidder with individualized notice of an addenda will not provide a Bidder with grounds to protest the implementation of this ITB. Bidders are ultimately responsible themselves for keeping track of addenda issued by the District before the deadline for submitting bids in response to this ITB.

All requests for material substitution must be submitted to the Purchasing Department on or before, 5:00 PM on Monday, March 25, 2019. The District shall not be required to answer any questions about this ITB submitted after this date.
The Purchasing Department will extend the deadline for submitting bids for all Bidders by at least seventy-two (72) hours if it issues any addenda within seventy-two (72) hours before the scheduled bid submission deadline.

The Purchasing Director, or her designee, in her discretion, may extend the deadline for submitting requests for material substitution for all Bidders if the deadline for submitting bids is also extended.

W. Protests.
