Harvest of the Month: **WATERMELON**

- ⇒ Watermelon will be served Friday, August 21st.
- ⇒ Watermelon is in season June through August. Georgia is #4 in the nation for watermelon production.
- ⇒ Cordele, Georgia is known as the “Watermelon Capitol” of the world.
- ⇒ Watermelon grows on a vine and is ready to harvest 80-90 days after planting.
- ⇒ Watermelon is a good source of vitamin C, vitamin A, and lycopene. Lycopene gives watermelon its red color.
