

## What is a Family/Parent-School Compact?

A Family/Parent-School Compact is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all of our students reach grade-level standards. It provides strategies to help connect learning at school and at home.

### Effective Compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

### **Jointly Developed**

The parents, students and staff of Isle of Hope K-8 School worked together and shared ideas to develop the Family/Parent-School compact. Teachers met on grade level teams to design practical strategies for parents to use at home. Parents provided valuable input on their needs to help their students. Students completed feedback forms to add ideas for the compact. A Family Forum is held each year to review and revise the compact based on the school's academic achievement goals, students' needs, teacher, staff and student input. Parents are welcome to provide feedback on the compact at any time during the school year. Please contact Jameson Hall at [jameson.hall@sccpps.com](mailto:jameson.hall@sccpps.com) or at 912-395-6555. You may also visit our school's website and click on the Title 1 tab for more information.

## Building Partnerships and Communication

Isle of Hope K-8 School offers ongoing events and programs to provide parents and students with access to our staff and to promote communication between school and home –

- Open House
- Curriculum Nights and Assessment Workshops
- Parent Resource Center (M-F 8:00am-2:00pm)
- Communication Folders
- Weekly classroom letters
- Teachers will share Lexile reading scores and MAP assessment scores with parents after each testing window.
- The school encourages all parents to sign up for Parent Access: PowerSchool to stay up to date on their children's academic progress.
- Staff members are available to meet with parents before school, during planning time, and after school. Parents must contact the teacher to schedule an appointment to meet.
- Parents may call and leave a message for staff members during instructional time or email staff members at anytime. Staff members are expected to return these calls/emails within 24 hours. Visit the school's website to see class websites and staff email information.
- At least one parent conference will be conducted during the year where the compact is shared/discussed with families.

### **Family Engagement**

- Families can schedule classroom observations.
- Parents are encouraged to speak with teachers regarding ways they can volunteer at school.
- Teachers will request family volunteerism in their classrooms as needed (classroom helper, reading buddy, fieldtrip chaperone, etc.)
- Families will be encouraged to volunteer during school-wide events (Read Across America events, book fairs, PTA, etc.).
- School must support parents in adhering to SCCPSS volunteer guidelines.
- School must support parents in adhering to SCCPSS volunteer guidelines.

## Our Goals for Student Achievement

### District Academic Goal

To ensure all students are College and Career ready:

- A. To increase the percentage of students who have mastered the skill set (whole child development) necessary to be successful upon entering Kindergarten – Second Grade
- B. To increase the number of students who are powerfully literate, mathematically fluent, and effective problem solvers in grades 2-8.

### School Academic Goal

Decrease the number of students in grades K-8 scoring Below Basic on MAP Math from 37% in Spring 2019 to 34% by Spring 2020.

### Second Grade Promotion Requirements and Goals

It is our goal to have all 2<sup>nd</sup> graders performing on grade level or higher based on the Measures of Academic Progress (MAP) reading and math assessments.

Students must maintain a yearly average of 70% or higher in all content areas.

Attendance Policy – A student may not have more than 15 absences for the year.

### At School, we will...

- provide students with grade level reading materials, including both fiction and nonfiction passages to read at home.
- Provide materials to practice addition and subtraction facts 0-24

### At home, parents will...

- read with their child at least 20 minutes a day.
- practice addition and subtraction facts 0-24 with their child daily.

### At home, students will...
