FIDDLER NATION NEWS

MARCH 2020

Character Counts!

Each month, IOH will focus on one of the six pillars. This month's trait is:

RESPECT

Treat others with respect and follow the Golden Rule • Be tolerant and accepting of differences • Use good manners, not bad language • Be considerate of the feelings of others • Don't threaten, hit or hurt anyone • Deal peacefully with anger, insults, and disagreements

Counselors will discuss this trait during classroom guidance.

PBIS

Positive Behavioral Interventions and Supports

PBIS Initiative and Activities:

To renew a focus on positive behavior, IOH is excited to introduce The Fiddler Club! This club will meet on the last Friday of each month for fun activities to recognize students who have demonstrated positive behavior.

Notes from the Nurse:

Student medications (over-the-counter and prescription) should be brought to the nurse by an adult.

A Message from Dr. Butler:

We are proud of our Boys and Girls basketball teams. They have worked so hard and achieved so much this year. Our coaches (Mr. Hines, Ms. McKenzie, and Mr. Singleton) dedicated a lot of time and energy in supporting these teams and we appreciate their efforts. Ms. Manning and her Cheer team, as always, did an outstanding job and their performance had a tremendous impact on the atmosphere of the games. Our Athletic Director, Ms. Clark, is to be commended on how she has recruited coaches, encouraged student-athletes, and promoted our athletic program. We look forward to more accolades and fun as we enter Baseball season and Soccer season (Boys and Girls).

Congratulations to the NASA team for all their accomplishments at the National Championship Competition. They earned the following awards:

- 1st Place – National Champions Landing Challenge
- 3rd Place – Space Shuttle Simulator Challenge
- Other results are pending.

We have exciting new plans for our STEAM program next year. All teachers in grades K–5 will have STEAM classes which means all students will get to enjoy the STEAM experience.

Cell Phone Policy:

To increase time on task, student cell phones are not allowed.
