Family/Parent-School Compacts

As part of this policy, Isle of Hope School and our families will develop a family/parent-school compact, which is an agreement that parents, teachers, and students will develop that explains how parents and teachers will work together to make sure all of our students reach State Academic Standards. The compacts will be reviewed and updated annually based on feedback from parents, students, and teachers collected at the Family Forum and Annual Evaluation Survey.

Compacts will be sent home with students in August. Parents will keep the compact at home, while the teacher keeps a parent signature page on file at school. Compacts will be utilized at parent-teacher conferences.
