Policy JCDB-R(1): Student Dress Code

The District requires all students in Pre-Kindergarten through Grade 12 to wear a school uniform as identified by the school which they attend or will attend.

Each school is to establish a School Uniform Committee. This committee is charged with the following determining the specific colors for student uniforms that are consistent with the dress code policy JCDB; writing and implementing a plan regarding funding sources for providing uniforms for economically disadvantaged students; developing incentives and positive reinforcement measures to encourage full compliance; and submitting a yearly report each May for the first three years of implementation to the Board detailing success and difficulties experienced in implementing and complying with the uniform policy.

The uniform committee must notify parents and students of the school uniform requirements. Notices for each school year shall be provided in May of the preceding school year.

The school uniform committee shall follow the guidelines outlined below:

With the understanding that a student's behavior is influenced by the way the student is dressed and with the understanding that no student should dress in a manner that is disruptive or has an adverse effect on school activities, the following mandatory uniform standards for student attire have been developed. Students are expected to dress in the school uniform during the school day and during school related activities. The school principal/site administrator will make the final determination of whether a student's attire or appearance conflicts with these standards. The school will loan students uniforms when necessary if available; however, the appropriate consequences will be administered for dress code violations.

All students (except those deemed exempt) must adhere to the following dress code:
