

Savannah Chatham County Public School System 6-12 Summer Learning Adventure Calendar

Purpose:

This Summer Learning Adventure Calendar provides enrichment activities for students to keep them engaged in meaningful, enjoyable learning activities for the summer. While the activities are not mandatory, we highly encourage you to take advantage of these learning adventures throughout the summer. You are sure to learn something new every day!

Directions:

- Complete the Activity of the Day and the corresponding activity
- Create a record of your summer learning throughout the month. Possible options include:
 - Make a slide presentation of pictures using PowerPoint or Google Slides
 - Write and sing a song teaching someone what you learned
 - Create a digital photo album of your summer learning adventures
 - Keep a log or journal of your summer learning
 - Create a collage depicting your summer learning adventure
