SUCCESS DOESN'T COME FROM WHAT YOU DO OCCASIONALLY. SUCCESS COMES FROM WHAT YOU DO CONSISTENTLY.

Attention Building Bridges Families and Students:

Due to COVID-19 SCCPS has changed the grading policies for the remainder of the school year

Students grades at the end of 3 quarters will serve as the final grades.

- Semester 1 grades are final
- Yearlong class average Q1, Q2, and Q3
- Semester 2 Q3 average

Remember the following 3 C's to end your years strong:

1. **Check**
Check with your teachers to verify your final average after the 3rd quarter.
2. **Communicate**
Communicate with your teachers to gather any assignments you need to complete to improve your grades.
3. **Complete**
Complete the assignments and submit to your teacher.

Keep In mind:

- Students can improve their grades by completing the tasks assigned by teachers during this time. Grades WILL NOT decline.
- Please know these grades will impact your GPA and will be used to calculate your final HOPE GPA.
- Improve your grades and end the year strong!

SENIORS UPDATE

Motto: A second chance
for a first
impression

All SAT/ACT Tests have been cancelled for the remainder of the year. If your student was considering taking this in the spring reach out to the counselor.

All UGS Schools except Georgia Tech and UGA are allowing incoming freshmen admittance in 2020 without the ACT/SAT due to the lack of testing. But many have an Accuplacer they must take.

Also there is more time to complete scholarships!!!! Use this time for your benefit! IF you need help finding scholarships let Ms. Kestler know.

Join the Senior Google Classroom for updates and to win prizes:
