Students will read **2 books** for their grade level/course for the upcoming school year. The books should be within their Lexile range or the Lexile range for their appropriate grade level.

Lists for suggested reading are posted on the district's website. <https://tinyurl.com/lne63nl>  
Students may elect to read a book that is not on the list, if it is within their Lexile range or within their grade level Lexile Band (see below). More information on Lexiles can be found at [www.lexile.com](http://www.lexile.com)

Grade	Grade Level Lexile Bands
9	1050-1260L
10	1080-1335L
11-12	1185-1335L

A Lexile range is included on book lists to help students select books that correspond with the Lexile score found on their 8th grade SRI report, 9th Grade GMAS EOC Individual Student Report, or their American Literature GMAS EOC Individual Student Report.

Students enrolled in an Advanced Placement or Honors Course will select readings from the list based on the recommendations from their individual schools. Advanced Placement or Honors Courses may also have additional tasks associated with summer reading. Contact information for each high school can be found on the district's website. <https://tinyurl.com/7hu97gg>

All students will keep a Reading Log of time spent reading 2 books and have the log signed by a parent. A copy of the log can be found on the back of this flyer or on the district's website. <https://tinyurl.com/lne63nl> When students return to school in the fall, they may be required to complete an additional writing assessment related to their summer reading.

**The Summer Reading Assignment will be counted as two homework grades and will be due on August 18, 2017.**
