

2019-2020 CAR RIDER ARRIVAL AND DEPARTURE PROCEDURES

Car Rider Arrival Procedures

Parent/Guardian may select one of two routes to drop off students. Parents/Guardians may drop off at either drop area. It is a parental choice both are in back of school.

Route A: Jones to Selma (around by Savannah Station), you may then drop off at the teacher parking lot or turn on Lumber Lane.

Arrival Procedure Route A

★ Drop off area

Route B: Gwinnett to Boundary turning right on Cohen, you may then drop off at the teacher parking lot or Lumber Lane.

Arrival Procedure Route B

Drop off area

****All cars exiting will be directed to take a right on Boundary headed north towards Louisville Road. ****

Car Rider Dismissal Procedures

- Pre-K – 1st Grade and 7th-8th Grades – Drivers picking up students in Pre-K through 1st and 7th/8th grades must enter via the Boundary and Cohen intersection, by making a right turn to Cohen. Please turn in to the first or second open gate and pull up to the covered ramp area in either lane. The innermost lane (closest to the building), is to be used only by drivers picking up students in Pre-K until 2:45 pm. When exiting, drivers will turn left to Berrien Street and proceed to Boundary Street. It is recommended that Parent turn right on Boundary Street and proceed to Jones Street or Louisville Road.
- 2nd – 4th Grades – Drivers picking up students in 2nd through 4th grades must enter via the Boundary and Cohen intersection, by making a right turn to Cohen. Please turn left into the last open gate (faculty parking lot). Drivers are to exit out the next open gate and turn right to Cohen and right to Boundary and proceed to Jones Street or Louisville Road.
- 5th and 6th Grade – Drivers picking up students in 5th and 6th grade will enter from Jones Street and turn to Purse Street and drive through the gym parking lot for student pick-up. Drivers will then exit the gym parking lot back to Purse Street and proceed to Jones Street.
****Older siblings will be dismissed from the younger sibling's location.**
