Computer Science Principles/AP Computer Science A Summer Assignment--Checklist

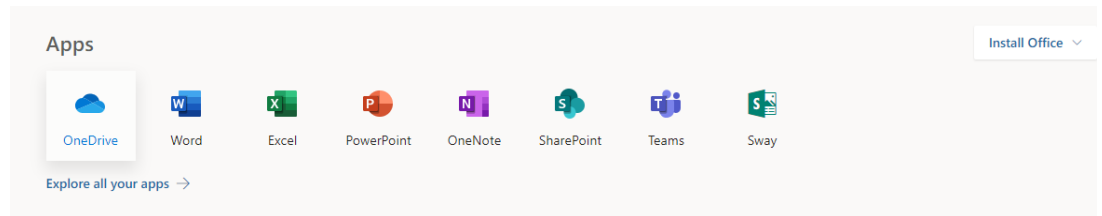

Teacher: Mrs. Lorelei Howard
Email: Lorelei.howard@sccpss.com

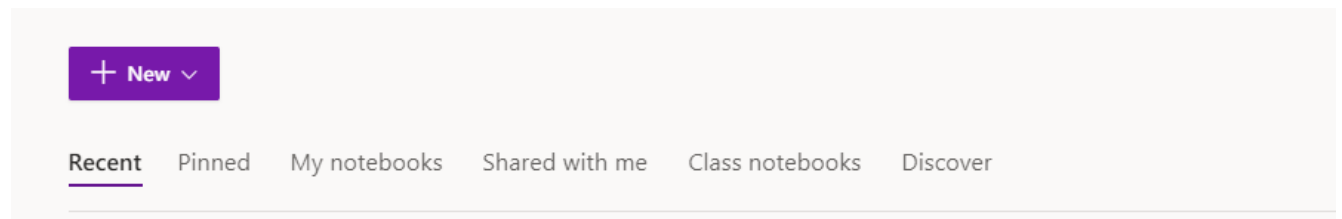

Welcome to **Computer Science Principles/AP Computer Science**!!!! We are going to do things differently next year. Rather than Schoology we are going to use Microsoft ClassBook. Below are the steps to access your personal version of my ClassBook. We will have a different classbook in the fall when I know which block you are enrolled.

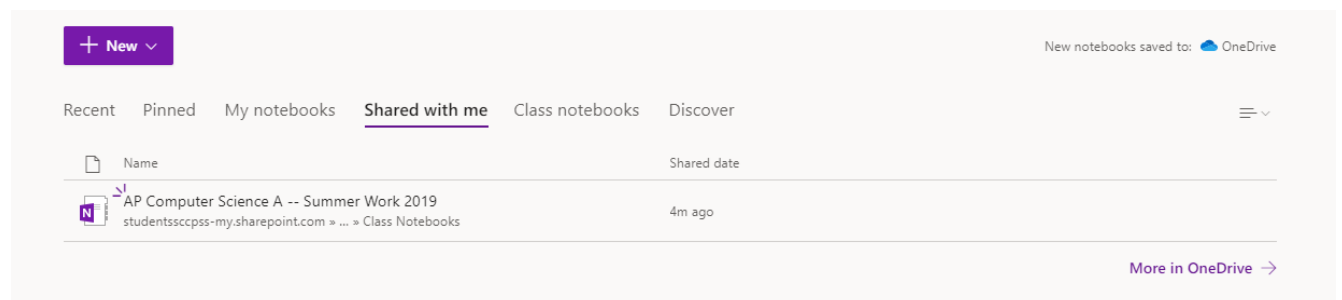

From the SCCPSSS.com page Choose Family & Students →choose Office 365

Choose OneNote

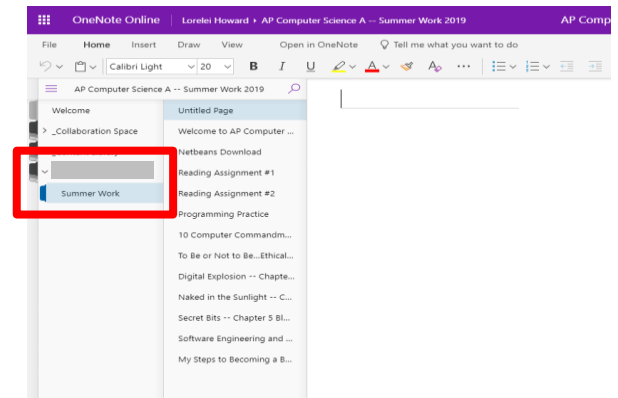

Click on Shared with me

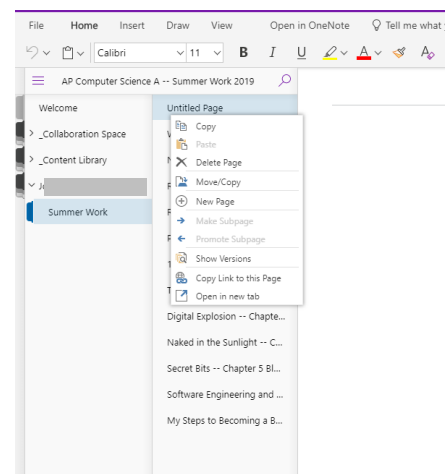

You will see my Summer Work file

When you click on it to open it, you will see your name and a summer work folder underneath it.

To get rid of the Untitled Page just click on it, right click, and choose delete page

Late work WILL NOT be accepted!!
