The United States Constitution requires schools to respect the right of all external organizations to distribute flyers to students at school if the school permits **any** such organization to distribute flyers. Accordingly, the school cannot discriminate among groups wishing to distribute flyers at school and does not endorse the content of any flyer distributed at school. The school encourages parents to assist their children in making choices appropriate for them.

### Principals Speak Out About Good News Club

"I do not/have not observed any lessons; however, the students who are in the GNC rarely receive discipline referrals to the office. Undoubtedly, the club has been a successful part in our curbing bullying and classroom disrespect from children."

*"Students love the program. Parents are excited to have the program in our school. The Good News Club works with us to promote good choices among children."*

"The directors and volunteers are doing a good job taking care of our kids. We do not get complaints from parents, nor do we have disciplinary issues after school."

*"Kids and parents love it, and the teachers are the absolute best! They are a JOY to have on campus."*
