

Ticket Prices/Admission Fees for SCCPSS Athletic Events

Understanding:

Each SCCPSS athletic department is required to charge athletic event admission fees to support the student-athletes who participate in athletic activities.

Each ticket purchased supplements the SCCPSS school district's high school and middle school athletic allocation used to cover the expenditures for all uniforms, equipment purchase and care, officiating fees, transportation costs, tournament fees and rentals, game security, facility maintenance, and supporting supplies.

Requirement:

SCCPSS schools must charge admission fees for: Football, Basketball, Volleyball, Wrestling, and all events conducted in the school gymnasium. There will also be an admission charged for other facility rentals such as Memorial Stadium, Garden City Stadium, Optimist Field, Civic Center, to name a few.

Football Ticket Sales:

Varsity Football Tickets for all SCCPSS Home High School games are available for Pre-Game Sale in the Office of the District Athletics Office, 208 Bull Street, and Monday through Thursday from 12 noon until 4:30 p.m. They are also available from our ticket vendors Lester's Florist, Thompson's Sporting Goods, Russell's Sporting Goods, and Watson's Seafood. Football tickets may also be purchased at the stadium gate prior to the game

Other Ticket Sales

Tickets for all other home athletic events may be purchased at the event gate prior to the event.

Season Passes:

Schools may sell season football passes. Season football tickets are **applicable only to the regular-season home athletic contests of a SCCPSS school**. Only the district athletic department may conduct or offer season ticket sales.

Playoffs:

Admission prices for county, regional and state tournaments and playoff contests are established by SCCPSS and/or the Georgia High School Association.
