

SCCPSS Grade 5 Summer Reading

Summer Reading for students entering **Kindergarten** is recommended, but not required. No grades will be given to kindergarten students.

Students entering **1st Grade through 5th Grade** this fall should read 3 books that fall within their Lexile range, from 100 points below to 50 points above their Lexile score. The Lexile score is found on the MAP reports, which were sent home to parents.

Students are strongly encouraged to read at least one piece of informational (non-fiction) text over the summer. Georgia standards place a strong emphasis on informational text as students are prepared for success in college and career reading.

Note: *If your child's Lexile score exceeds that of the Grade Level Lexile Band, then he or she should read texts either within his or her Lexile range, or within the appropriate Grade Level Lexile Band as outlined here. A Lexile measure is a good starting point for selecting books, but should never be the only factor.*

| Grade | College & Career Ready "Stretch" Lexile Bands |
|-------|---|
| 1 | 190L to 530L |
| 2 | 420L to 650L |
| 3 | 520L to 820L |
| 4 | 740L to 940L |
| 5 | 830L to 1010L |

The Summer Reading Assignment will be counted as three homework grades (one grade per book read) and will be due on August 17, 2018.

Some titles are suggested below, or students may visit www.lexile.com to find their own books in their Lexile range.
