

#SHUMAN CARES

Shuman Scholars Families

Due to the devastation caused by Hurricane Dorian to the residents of the Bahamas, we will be gathering items to be shipped via a partnership with the American Red Cross and Savannah Aviation. Planes will be leaving from the Savannah/Hilton Head International airport to deliver necessities to those impacted by the hurricane. We need your help!!

As a school community and to show that #SHUMANCARES, it is important that we unite as one school body during this time. I am asking that parents, staff members, and students consider donating 4-5 items on the list below. A Shuman Scholar will deliver the items to the Red Cross
THANK YOU!!

Mrs. Wallace-Lewis
