Portfolio Access

A major advantage of creating My Career Portfolio is to save the results of your research. You can save your answers to the various assessments and sorts in case you can't finish in one visit or to restore the results and continue your exploration. You can create your own bookmarks and easily return to the information you find valuable. Beyond simply saving links to results and information, you have the opportunity to enter personal notes regarding what you learn about yourself, the occupation and education opportunities you discover, and the career goals you create.

You are not required to save any information, but if you do we respect your privacy. Please review our Privacy Policy. Your information will not be shared by anyone without your permission. If you want your counselor to have access to your information, click on the "Yes" option below. You may want to discuss this option with your counselor first to ask him or her how they will use the information to help you develop and refine your career goals. The choice is yours.

- Yes, my school counselor or career advisor to view my portfolio.
- No, I do not want anybody to view my portfolio.

Click "Yes" then Submit

The screenshot shows a web application interface for a career assessment system. At the top, there is a navigation bar with a 'Return to:' dropdown, a 'Hide' button, and the text 'Georgetown K-8 School GCIS Go To'. Below this is a header with 'CAREER ASSESSMENT SYSTEM' and a 'Text Only Version' link. A user profile section shows 'mrs' with 0 messages and a 'Log Out' button. A secondary navigation bar includes 'Assessments', 'Occupations', 'Education', 'Employment', and 'My Portfolio', along with a search bar. The main content area is titled 'CAREER INVENTORY (48 QUESTIONS)' and includes 'Help & Tutorials', 'Save', and 'Print' buttons. Below this is a table of career clusters with their respective scores. The table has three columns: 'Career Clusters', a bar chart representing the score, and 'Score'. The clusters are ranked from highest to lowest score. At the bottom, there is a footer with a URL and a Windows taskbar at the very bottom showing the time as 2:13 PM on 10/28/2015.
