## 2018 Summer Reading Program: Grades 6-8 Savannah-Chatham County Public School System Middle School Assignment

Students will read **3 books** for their grade level for the upcoming school year. The books should be within their Lexile range (100 points below to 50 points above) or within the range appropriate to their grade level.

Books for suggested reading can be found on <https://www.goodreads.com/> or <https://fab.lexile.com/> or <https://www.scholastic.com/teachers/bookwizard/>. Students can read any books in their Lexile range or within their grade level Lexile Band (see below). More information on Lexiles can be found at [www.lexile.com](http://www.lexile.com)

Grade	Grade Level Lexile Bands
6	853-1213L
7	907-1303L
8	979-1339L

A Lexile range is included on book lists to help students select books that correspond with the Lexile score found on their MAP Reading reports.

Students are strongly encouraged to read at least one piece of informational (non-fiction) text over the summer. The Georgia Standards of Excellence place a much stronger emphasis on informational text, as it is more present in college and career reading.

All students will keep a Reading Log of time spent reading the 3 books and have the log signed by a parent.

**The Summer Reading Assignment will be counted as three homework grades, one grade for each of the texts read and recorded, and will be due on August 17, 2018.**
