

A student's future in medicine begins here. Classes will give students a glimpse of what it means to be a medical professional! This exciting camp will provide hands-on activities using real medical equipment. Students will learn various medical techniques such as CPR and First-Aid Training while gaining hands-on technological experience through real life simulators and field trips!

When: June 11 – June 22, 2018
Time: 9:00am - 3:00pm
Location: Beach High School
Who: Rising 6th - 8th Graders
Cost: \$200

Medical Careers of Tomorrow
