

# GENCYBER CAMP

June 11 to June 15, 2018

## Cybersecurity Camp for Middle School Students

- ◆ The GenCyber summer camp is a comprehensive and activity-based program that will introduce cybersecurity principles to middle school students.
- ◆ Students are not required to have any prior knowledge or experience in cybersecurity or computers.
- ◆ Students will learn Cyber Ethics, Social Engineering, Forensics, Cryptography, and many other interesting topics in current technology.
