## The Way of the Words

Directions: Read each poem and determine what point of view the poem is written in.

### Spunky

Spunky the Astronaut was the first dog in outer space.  
He likes to land on the Cosmic Space Center Base.  
He likes to see the looks on some peoples face  
When they find out there is a dog involved in the great space race.

1. What perspective is this poem written in? \_\_\_\_\_

### Roco

My name is Rocco's and my favorite food is tacos.  
I eat my tacos with lettuce, tomato, and cheese.  
My mom can make them like a breeze.  
So we are having tacos for dinner with Pacco.

2. What is the poet's perspective? \_\_\_\_\_

Name \_\_\_\_\_

### Love

Lamar is a really funny bunny.  
He loves to show off all of his tricks.  
He has a girlfriend named Jill.  
In which, he is head over hills.  
His new found love hits him like a ton of bricks.

3. What is the narrator's point of view?  
\_\_\_\_\_

### Thankful

I was in a really bad car wreck when I was six.  
My doctors were not able to fix my legs.  
So now I am forced to get around in a wheel chair.  
Some people think it's not fair.  
But it doesn't feel that way to me.  
I feel like I just need to be.....  
Thankful!!!!

4. In what point of view is the poem written? \_\_\_\_\_
